

HUDSON RIVER PARK TRUST

Contract No. C4891

Category: 03

C4891 - Pier 26 Ecological Platform – Waterfront Structures

Description: The Hudson River Park Trust ("HRPT") is seeking proposals from qualified marine contracting firms ("Bidders") interested in performing in-water construction within the Hudson River Park. Typical construction operations would include but not be limited to: Protection of existing structures to remain; Temporary facilities, controls, and site protection; Partial demolition and removal of existing structures and underwater debris; Pile driving and new marine platform; Cathodic protection system and ecological enhancements; Steel/concrete overhead walkway; and other finish work as required. Work is located along the Hudson River at Pier 26 at North Moore Street. Price for bid documents \$100.00 per set. All payments must be made by check, and must be payable to the Hudson River Park Trust and must include the contractor's Federal Identification Number. Document availability date Monday March 19, 2018. Documents including required submission materials for this solicitation may be obtained by the following means: Mail: Mail your requests and a check to the Hudson River Park Trust – Project Management Office, 353 West Street, Pier 40 – 2nd Floor, New York, NY 10014. In Person: Directly from the Hudson River Park Trust located at Pier 40. Hours 9:00 a.m. – 5:00 p.m., Monday – Friday, except holidays. Overnight delivery via Fed Ex is available by providing your account information. Criteria for determining the lowest qualified bidder will include but is not limited to an analysis of: 1. Bidder's marine construction experience (minimum 5 years) on similar projects, including the name, location, and construction cost of the projects (include projects within the NYC metropolitan area); 2. Bidder's complete team (prime contractor or joint venture partners and/or sub-contractors) that it would commit to the project, including an analysis of the percentage of subcontracting; 3. Any NYS DOL, OSHA, ACOE, or NYS DEC violations issued to Bidder or any of its principals in the last five years; 4. Qualifications of the personnel to be utilized for this project; 5. Detailed financial statements of Bidder or, in the case of a joint venture, the detailed financial statements of the joint venture partners or principals; 6. Any debarments, litigation, and/or bankruptcy filings by Bidder or its principals in the last five years; 7. Completed and certified "Vendex" and New York State Vendor Responsibility questionnaires completed within the last three years; and 8. Bidder's EEO policy statement and M/WBE Utilization Plan. Submissions will be evaluated to assess the proposer's responsibility, project specific and general marine and/or waterfront construction experience construction experience, project management personnel, percentage of subcontracting, and financial stability. HRPT is an equal opportunity contracting agency. Any resulting contracts will include provisions mandating compliance with Executive Law Article 15A and the regulations promulgated there under.
