**FREE OUTDOOR MOVIES IN HUDSON RIVER PARK:
Hudson RiverFlicks Lineup Announced for Summer 2019**

Wednesdays Are for New York; Fridays Are for Families; Free Popcorn Is for All

Two Special Screenings Will Have Live Remixed Scores Produced by Shaolin Jazz

NEW YORK—Hudson River Park today announced a brand new cinematic lineup for its annual Hudson RiverFlicks outdoor movie series that has family-friendly flicks on Fridays to iconic films celebrating New York on Wednesdays.

For years, Hudson RiverFlicks has brought blockbusters and family favorites to one of the most unique venues in New York City, but this year is different. *Can I Kick It?* produced by Shaolin Jazz brings two movies to the Park. *The Warriors* on July 10th and *The Last Dragon* on August 14th will be shown and scored scene-by-scene with a blend of Hip Hop, Soul, Funk and more mixed live by DJ 2-Tone Jones. These are the first screenings of their kind in New York, with the remixed soundtracks designed to accentuate elements of specific scenes and fighting sequences.

Viewers can also visit the Park to see films that showcase New York through the ages at on the lawn at Pier 63 every Wednesday. On Fridays, families can flock to Pier 45 to see some of the most popular movies out recently, from the Oscar-winning *Spiderman: Into the Spider-Verse* to *The Incredibles 2*.

“Our iconic New York movie lineup every Wednesday will remind New Yorkers why they fell in love with the City in the first place, while Friday nights will mean fun for the whole family. Better still, this year we’re adding a new twist to the classic outdoor movie experience by bringing two new live remixed scores to cult classics,” **said Madelyn Wils, President and CEO of Hudson River Park Trust.** “We invite all New Yorkers to bring their friends and family, grab a picnic blanket, and join us for a summer of fun at Hudson River Park.”

Hudson River Park is opening the season with a special Heritage of Pride screening on June 21st, and will officially kick off on July 10th and run through the end of August. Movies will start at 8:30 PM or dusk – whatever comes first – and free popcorn will be served on a first come, first served basis.
