

**Pier 40 Outdoor Sports Field Perimeter
Safety Netting Replacement
Request for Proposal (RFP)
Project/Contract #M5104
Questions & Answers
September 24, 2019**

PLEASE NOTE: **Questions** are presented below in **bold**, with *answers* from the Trust in *italic*.
Similar questions are answered only once.

- 1.) **With reviewing the RFP I notice a difference in the square footage for the perimeter netting at outdoor sports field. On page 15 in Exhibit 2 it says to provide 17,000 SF but in the specifications on page 25, it states 17,500 SF. Please clarify?**

The correct square footage for soccer field on the roof is 17,500 SF.

- 2.) **Can you please advise on the dimensions of the netting?**

The dimensions of the netting varies at different locations.

*At the ground floor level outdoor sports field the dimensions are approximately
6'-6" high and a total length of 270 ft.
8'-6" high and a total length of 360 ft.
13'-0" high and a total length of 1000 ft.*

*At the roof level soccer field the dimensions are approximately
12'-0" high and a total length 485 ft.
18'-0" high and a total length 400 ft.*

Please Note: All dimensions are approximate contractor to verify all dimensions in field.
