Article 15-A Discretionary Procurement

REQUEST FOR PROPOSALS G4952

Submerge Festival Equipment Rental and Event Services

The Hudson River Park Trust (“Trust”) is seeking proposals from event production companies (“Respondents”) that have substantial and demonstrable expertise in the field of resource procurement, event production, and outdoor science festivals to work with the Trust in producing Hudson River Park’s Submerge: NYC Marine Science Festival (“Submerge Festival”).

A. PROJECT OVERVIEW.

Submerge Festival is a one-day free public festival dedicated to celebrating our coastal waters through hands-on science. The 2017 Submerge Festival welcomed 6,500 attendees and hosted 40 science partner groups. The 2018 Submerge Festival will be a free event at Hudson River Park’s Pier 84, located on the mid-town Manhattan waterfront, on Saturday, September 22, 2018, from 11 am to 4 pm (with a rain date on Sunday, September 23, 2018 from 11 am to 4 pm). The event offers the public the opportunity to engage with scientists, technology, and Hudson River activities like fishing, kayaking, and vessel tours.

A main attraction at the Submerge Festival is scheduled science-themed performances. The Submerge Festival requires approximately 4-5 performers, collectively, the “Talent.” The selected Respondent (“Consultant”) will contract with, manage and pay the Talent of the Submerge Festival with guidance and approval from the Trust.

The “Research Stations” at the Submerge Festival represent the bulk of the exhibits and occupied space of the event. Research Stations are tables operated by various science partner groups that volunteer their time and resources to share their current marine research through interactive demonstrations. The Consultant will contract with and manage the volunteers of the Research Stations with guidance and approval from the Trust.

Additionally, the Consultant will identify, contract with, and manage food trucks (minimum of 3 food vendors providing a diversity of kid-friendly food options) and must be able to supply (secure the rental of) all necessary chairs, tables, tents, and basic stage platform required for the Submerge Festival.

The Project Overview is not an exhaustive list of the services to be provided by the Consultant, and Respondents should rely on the Scope of Services for a detailed list of services to be performed and delivered by the Consultant, attached hereto as Appendix B to the Draft Contract (attached hereto as Exhibit 3).

B. PROPOSAL STRUCTURE AND CONTENT.

Respondents should submit written proposals outlining the Respondent’s approach to the Scope of Services, which may include specific subtasks, resources needed, a detailed schedule and budget by task item.

The Trust will base its selection upon the following criteria:

40% The Respondent’s experience in providing services similar to the Scope of

- 30% Lump sum cost proposal (detailed in the Fee Schedule).

- 10% The Respondent's proposed plans for encouraging participation by minority and women-owned business enterprises in connection with the Services, including the Respondent's M/WBE Utilization Plan.
- 10% Ability to meet the Contract launch dates

- At least three references, including the names and telephone numbers of contact persons at the client organizations.
- A description of the Respondent's experience and expertise in all of the specific services contemplated under this RFP, including the resume of the proposed Consultant.
- A description of the Respondent's history, if any, in contracting or doing business with the Trust or the City of New York (this can be in an appendix).

PLEASE NOTE THAT THE TERMS AND CONDITIONS (PART II) OF THE ATTACHED DRAFT CONTRACT ARE NOT NEGOTIABLE, ATTACHED HERETO AS EXHIBIT C.

C. INTERVIEWS

Interviews may be held with any, none or all of the Respondents after the receipt of proposals. Interviews with the Trust would be scheduled after its initial review of proposals.

D. SELECTION

The Trust will review each Respondent's proposal in its totality. The selected Respondent, if any, will be a responsible Respondent whose proposal is responsive to this solicitation and, in the Trust's sole determination, provides the best combination of price and quality.

The Trust shall notify the Consultant in writing of the giving or withholding of each such approval or acceptance within a reasonable period of time. The Trust's acceptance or approval of documents or other materials prepared by the Consultant hereunder shall in no way relieve the Consultant of responsibility for such materials.
3. **Consultant Cooperation.** The Consultant shall work with and exchange information with such entities or individuals in connection with the Services as the Trust shall designate from time to time, and agrees to meet with such entities or individuals at such times as the Trust may require in order to maintain an ongoing review process to expedite determinations and approvals required to be made in connection with the Services.
4. **Contact Persons.** The Trust will designate in writing an individual who will serve as the Trust's representative and normal point of contact for the Consultant with regards to the Contract and the Consultant's Services and obligations hereunder. The Consultant shall designate in writing to the Trust one individual, satisfactory to the Trust, who shall be responsible for coordinating all Services to be rendered by the Consultant and who shall be the Trust's normal point of contact with the Consultant on matters relating to such Services. Such individual shall be replaced upon the Trust's written request. The Trust and Consultant may from time to time change this designation by notification to the other party.
5. **Approval of Subcontractors and Subcontracts.** The Consultant shall not employ, contract with or use the services of any consultant, contractor, or other third party (collectively "**Subcontractor(s)**") in connection with the performance of its obligations under the Contract without the prior written consent of the Trust. The Consultant shall inform the Trust in writing of the name, proposed service to be rendered, and compensation of the Subcontractors, and of any interest it may have in the proposed Subcontractors. The Consultant shall be responsible for the performance of the Services of any Subcontractors engaged, including the maintenance of budgets, cost controls, and schedules, coordination of their work and resolutions of all differences between or among the Consultant and Subcontractors. It is expressly understood and agreed that all Subcontractors engaged by Consultant

hereunder shall at all times be deemed engaged by the Consultant and not by the Trust. The Consultant shall cause any Subcontractor employed by the Consultant in connection with the Contract to be bound to the terms and conditions of the Contract to the extent such terms and conditions are, or may be, applicable to such Subcontractors. All subcontracts held by the Consultant (“**Subcontracts**”) must include the following provisions:

- (a) there is no privity of contract between the Subcontractor and the Trust;
- (b) the Trust will not incur any liability by virtue of any act, omission, negligence, or obligation of the Subcontractor or the Consultant;
- (c) the Subcontractor shall indemnify, defend and hold harmless the Indemnitees (defined in Article V) against any and all claims, judgments or liabilities to which they may be subject (including, without limitation, any and all claims for injuries to persons (including death) and damage to property) because of any negligence or any fault or default of the Subcontractor, its agents, employees or subcontractors or the breach of the Subcontractor’s obligations under the Subcontract;
- (d) the Subcontractor’s payment requisitions shall conform to the same requirements for Consultant’s payment requisitions and include the representations and warranties set forth in Article III hereof;
- (e) the termination provisions for cause and convenience set forth in Article IV herein shall be included in the Subcontract;
- (f) the Subcontract may be assigned without the written consent of the Subcontractor to the Trust or any other corporation, agency or instrumentality having authority to accept the assignment; and
- (g) all services performed under the Subcontract shall strictly comply with the requirements of the Contract.

If the Consultant fails to include the provisions set forth in this Subsection 5 in any Subcontract, the Consultant hereby agrees to indemnify, defend and hold harmless the Trust and their representatives against any and all claims, damages, awards, judgments, liabilities, expenses, fines, penalties, costs and/or fees incurred by or imposed upon the Trust and their representatives, including reasonable attorney fees, as a result of said failure.

- 6. Consultant as Independent Contractor.** Notwithstanding any other provisions of the Contract, the Consultant’s status (and that of any Subcontractor) shall be that of an independent contractor and not that of an agent or employee of the Trust. Accordingly, neither the Consultant nor any Subcontractor shall hold itself out as, or claim to be acting in the capacity of, an employee or agent of the Trust.
- 7. Consultant to Obtain Permits.** Except as otherwise instructed in writing by the Trust, the Consultant shall obtain and comply with all legally required licenses, consents, approvals, orders, authorizations, permits, restrictions, declarations and filings required to be obtained by the Trust or the Consultant in connection with the Contract.

8. **Consultant to Comply with Legal Requirements.** The Consultant, in performing its obligations and in preparing all documents required under the Contract, shall comply with all applicable laws and regulations to be included in the Contract. All applicable laws and regulations shall be deemed to be included in the Contract with the same effect as if set forth in full.
9. **Increase or Decrease in the Scope of Services.** The Trust shall have the right to make changes to, and/or increase or decrease the Scope of the Services or to extend the Term at any time and for any reason upon notice to Consultant specifying the nature and extent of such changes. In the event any such changes result in a reduction of the scope of services, the Maximum Contract Price will be correspondingly reduced to reflect the deleted services. In the event any such changes result in an additional expenditure of time by the Consultant or Subcontractors, the Trust and the Consultant shall negotiate an additional fee for such changes evidenced in an amendment to the Contract.

ARTICLE II **PAYMENT OF SERVICES**

1. Payments.

- (a) Subject to, and in accordance with this Article II, the Trust shall pay to the Consultant, and the Consultant agrees to accept in full consideration for the Services, and for all expenses of the Consultant in connection therewith, including Subcontractors' costs and reimbursable expenses, an amount not to exceed the Maximum Contract Price, payable in accordance with this Article II and as provided in Appendix C.
- (b) Requisitions shall be in a form reasonably acceptable to the Trust and shall be supported by any appropriate or necessary documentation or other evidence relating to the amounts set forth in the requisition as the Trust may reasonably require including, but not limited to invoices, receipts and vouchers from Subcontractors and suppliers, information related to M/WBEs, SDVOBs and Workforce Utilization Reports required under Appendix E and, where applicable, the time sheets and/or certified payroll reports of the Consultant's staff. Each requisition submitted to the Trust by the Consultant shall constitute a representation that, except as specifically set forth in the requisition, as of the date of the requisition, all representations and warranties made by the Consultant in Article III are true, complete and accurate as if made as of the date of the submission of the requisition. Thereafter, the Trust shall approve the requisition if the Services have been satisfactorily performed in accordance with the Contract.
- (c) The Consultant, with the Trust's prior approval, may exceed the maximum payment allocated to a particular portion of the Services if the Consultant by notice determines that the maximum payment initially allocated to the portion is insufficient to adequately perform the portion of the Services and if the Consultant demonstrates to the Trust a savings with respect to another portion of the Services which is at least equal to the amount of such excess. However, notwithstanding the above, in no event shall the Trust pay the Consultant more than the Maximum Contract Price.

2. **Acceptance of Final Payment/Release and Discharge.** The acceptance by Consultant of the final payment under the Contract, or any final payment due on earlier termination of the Contract under Article IV, shall constitute a full and complete waiver and release of the Trust from any and all claims, demands and causes of action whatsoever that the Consultant, and/or its successors and assigns, have, or may have, against the Trust under the provisions of the Contract, unless a detailed

and verified statement of claim is served upon the Trust not later than fifteen (15) days after the making of the final payment. In the absence of a verified statement of claim, if the Consultant performs Services that involve maintenance, repairs or minor construction, the Consultant must supply the Trust with lien waivers for itself and its Subcontractors along with its request for final payment. It is expressly understood and agreed that the Trust's or Consultant's termination of the Contract pursuant to Article IV hereof shall not give rise to any claims against the Trust for damages, compensation, or otherwise as a result of such termination, and that under such circumstances, the Trust's liability to make payments to Consultant on account of any and all Services shall be limited to the payments set forth in this Article II and as provided in Appendix C.

ARTICLE III **REPRESENTATIONS AND WARRANTIES**

1. Representations and Warranties.

- (a) The Consultant represents and warrants to the Trust that:
 - (i) no public official is directly or indirectly interested in the Contract, or in the supplies, materials, equipment, work, labor or Services to which it relates or in any of the profits thereof;
 - (ii) except as set forth in the Contract, the Consultant has, and shall have, no interest, direct or indirect, in the project to which the Services relate;
 - (iii) to the best of its knowledge, upon due inquiry, no officer, member, partner or employee of the Consultant has, prior to the date of the Contract, been called before a grand jury, head of a state agency, head of a city department or other city agency to testify in an investigation concerning any transaction or contract had with the State of New York, any political subdivision thereof, a public authority, or with any public department, agency or official of the State of New York or any political subdivision thereof and refused to sign a waiver of immunity against subsequent criminal prosecution or to answer any relevant question concerning such transaction or contract; and
 - (iv) it has not employed any person, trust or partnership to solicit or procure the Contract, and has not made, and will not make, any payment or agreement for the payment of any commission, percentage, brokerage, or contingent fee, or other compensation in connection with the procurement of the Contract.

- (b) The Consultant represents and agrees that:
 - (i) recognizing that time for completion of the Services is of the essence, the Consultant shall perform all of its obligations hereunder in a prompt, efficient and professional and/or workman like manner with the skill and care of similarly licensed professionals and in accordance with the time periods for the Services set forth herein;
 - (ii) The Consultant, its personnel assigned to perform the Services, and any Subcontractors engaged by the Consultant in the performance of the Consultant's obligations hereunder are qualified in all respects for such assignment and have the experience and expertise in projects of similar scope and complexity to the Services. All such assigned personnel and Subcontractors are subject to approval by the Trust, which approval shall not be unreasonably withheld, and the Trust may direct the Consultant to replace assigned personnel at any time; the Consultant's personnel assigned to perform the Services shall

- be available to the Trust during normal working hours and at other times as may be additionally needed upon notice from the Trust for project meetings, public meetings, site supervision, field visits and inspections;
- (iii) The Consultant, in the performance of its obligations hereunder, shall utilize efficient available methodology and technology for the purpose of reducing the cost and time of such performance;
 - (iv) The Consultant shall use good faith efforts to protect and further the Trust's interests in performing such Services recognizing the need for trust and confidence in the relationship between the Consultant and the Trust with regards to the Services to be performed hereunder;
 - (v) The Consultant shall comply with the provisions of all Federal, State and local statutes, laws, rules, ordinances and regulations that are applicable to the performance of the Contract;
 - (vi) The Consultant shall diligently render to the Trust any and all assistance which may be required by the Trust should any claim be made or any action be brought against the Trust which states a cause of action related to the Services; and
 - (vii) The Consultant shall not commit its personnel to, nor engage in, any other projects during the term of the Contract to the extent that such projects may adversely affect the quality or efficiency of the Services or would otherwise be detrimental to the conduct and completion of the Services, and the Consultant shall provide sufficient numbers of qualified personnel as shall be required to perform the Services in the time requested by the Trust.

2. Conflict of Interest. Consultant represents and warrants that:

- (a) Consultant has not now, and will not, for a period of one (1) year following expiration of the Contract, acquire any interest, direct or indirect, present or prospective, in the project to which the Consultant's work relates or the real estate which is the subject of the project, has not employed and will not knowingly employ in connection with work to be performed hereunder any person or entity having any such interest during the Term of the Contract.
- (b) Consultant shall not knowingly permit any officer, employee, agent or director of the Trust or any of its subsidiaries to share in any benefits that arise from the Consultant's work.
- (c) Consultant shall not knowingly permit any officer, employee, agent or director of the Trust, or any of its subsidiaries to participate in any decision relating to the Contract that affects the personal interest of the aforementioned individuals, or the interests of any Trust, partnership, or association in which those individuals are directly or indirectly interested; nor shall any officer, agent, director or employee of the Trust, or any of its subsidiaries be permitted by the Consultant to have any interest, direct or indirect, in the Contract or the proceedings thereof.
- (d) Consultant shall cause, for the benefit of the Trust, every contract or agreement with any Subcontractor to include the representations contained in subsections (a), (b), and (c) of this Subsection 2. The Consultant shall take such action in enforcing such provisions as the Trust may direct, or, at Consultant's option, assign such rights as it may have to the Trust for enforcement by the Trust.

ARTICLE IV
DELAYS, SUSPENSION OF SERVICES, TERMINATION

1. **Notice of Overruns and Delays.** The Consultant shall promptly give written notice to the Trust representative of the occurrence of an event or action, the discovery of a condition or the failure of an event or action to occur or a condition to exist as anticipated, that may result in an increase in (a) the compensation due Consultant; (b) reimbursable expenses and/or; (c) the number of hours necessary to perform the work or which may delay completion of the work (or extend the completion date). For purposes of this provision, “promptly” shall mean as soon as possible but in no event more than (3) business days after Consultant’s discovery of the occurrence, condition or failure which gives rise to the subject increase and/or delay.
2. **Disputes.** If at any time the Consultant believes that there is: (1) a condition that will entitle it to additional compensation; (2) a change in the schedule for completion of the Services; or (3) another issue arising out of terms, conditions, or the respective parties’ fulfillment of their obligations under the Contract (“**Dispute**”), within fifteen (15) days after the Consultant has knowledge of the occurrence of a Dispute, the Consultant shall deliver a written notice to the Trust stating the general nature of such Dispute. Senior executives of the parties shall negotiate in good faith to resolve any Disputes. Pending the resolution of any Dispute, the Consultant shall diligently continue to perform all Services under the Contract, including the Services that are the subject of such Dispute. Written notification and good faith negotiation shall be a condition precedent to the maintenance of any legal proceeding. The Consultant shall represent that it has complied with the condition precedent in its initial notice and pleading in any legal proceeding instituted by the Consultant or by the Trust.
3. **Suspension of Services.** The Trust may, at any time and for any reason and by written notice thereby (“**Suspension Notice**”), direct the Consultant to delay or suspend the services or any part thereof under the Contract for a period of time not to exceed ninety (90) days. The Suspension Notice shall specify the period during which such services are to be delayed or suspended. The Contract shall automatically terminate after ninety (90) days’ suspension or delay unless the Trust and the Consultant agree in writing to continue the Contract upon the same or newly negotiated terms, and the Trust and the Consultant execute a “Release of Claims” with regards to the period of suspension or delay. The Consultant shall resume such services upon the date the Trust may thereafter specify in writing upon reasonable notice to Consultant. If the Contract is delayed, suspended or terminated, the Consultant shall be entitled upon such delay, suspension or termination to payment of that portion of the fee and reimbursable costs that have not been paid to Consultant commensurate with the Services actually and satisfactorily performed by the Consultant prior to the date of delay, suspension or termination. The Consultant shall not be entitled to any fee during the period of delay or suspension unless the Trust, in its sole and absolute discretion, decides that the payment (and amount) of a fee is reasonable under the particular circumstances that gave rise to the suspension or delay.
4. **Termination for Convenience.** The parties acknowledge that the Trust may, at any time for the Trust’s convenience and without cause, terminate the Contract without incurring any penalty or damages on account of such termination upon seven (7) days’ written notice to the Consultant. In the event of such termination, the Trust shall pay the Consultant for services actually and satisfactorily performed by Consultant up to the date of such termination plus Trust-approved out-of-pocket expenses incurred by the Consultant. The Consultant agrees to cause any agreement or contract entered into by the Consultant with any Subcontractors to contain a termination for convenience clause consistent with the provisions of this Subsection 4.

5. Default by Consultant. The Trust may terminate the Contract for cause, including:

- (a) a material breach of any covenant or agreement contained in the Contract;
- (b) if the Consultant shall default in the timely performance of any of its obligations under the Contract and such default shall continue for a period of three (3) days after written notice from the Trust specifying the occurrence, omission or failure giving rise to such default, or if in the opinion of the Trust, by reason of the nature of such default, such default cannot be cured within such three (3) day period and the Consultant has not promptly prosecuted the curing of such default;
- (c) the Consultant shall fail to diligently, timely and expeditiously perform its obligations set forth in the Contract;
- (d) any representation or warranty made or deemed to have been made under the Contract by the Consultant shall prove to be untrue in any material respect; or
- (e) the Consultant shall make a general assignment for the benefit of its creditors, or a receiver or trustee shall have been appointed on account of Consultant's insolvency, or Consultant otherwise shall be or become insolvent, or an order for relief shall have been entered against Consultant under Chapter 7 or Chapter 11 of Title 11 of the United States Bankruptcy Code.

In addition to any other remedies or claims that the Trust may have with respect to such representation or such default, the Trust may terminate the Contract immediately upon three (3) days' written notice to the Consultant. In the event of such termination, the Trust, without waiving any such remedy or claims, (including consequential damages) shall pay the Consultant that portion of the fee and reimbursable costs, not paid to the Consultant, commensurate with those Services actually and satisfactorily performed by the Consultant up to the date of such termination, provided, however, that the Trust shall deduct from any amounts due to the Consultant for additional costs and expenses that the Trust may incur in connection with the completion of the Services by another contractor(s) or consultant(s).

The Consultant agrees to cause any agreement or contract entered into by the Consultant with any Subcontractors to contain a termination for default clause consistent with the provisions of this Subsection 5.

6. Discontinuance of Services Upon Termination. Upon termination of the Contract the Consultant shall:

- (a) discontinue all its Services from and after the date of the notice of termination, except as may be required to complete any item or portion of services to a point where discontinuance will not cause unnecessary waste or duplicative work or cost as directed by the Trust;
- (b) cancel, or if so directed by the Trust, assign to the Trust any and all commitments and agreements made by the Consultant relating to the Services to the extent same are cancelable or assignable by the Consultant.
- (c) transfer to the Trust in the manner, to the extent, and at the time directed by the Trust, all supplies, materials and other property produced (including warranties) as a part of, or acquired in, the performance of the Services; and
- (d) take any other actions as the Trust may reasonably direct.

ARTICLE V
INDEMNIFICATION AND INSURANCE

1. **Indemnification.** Notwithstanding anything to the contrary contained herein, the Consultant shall be responsible for all injuries to persons, including death, or damage to property sustained while performing or resulting from the Services under the Contract, if and to the extent the same results from any act, omission, negligence, fault or default of Consultant or Subcontractors, or their employees, agents, servants, independent contractors or subcontractors retained by Consultant pursuant to the Contract. Consultant agrees to defend, indemnify and hold the Trust, the State of New York, the New York State Office of Parks, Recreation and Historic Preservation, the New York State Department of Environmental Conservation, the City of New York, the New York City Department of Parks and Recreation and each of their respective commissioners, directors, officers, agents and employees (collectively the “**Indemnitees**”) harmless from any and all claims, judgments and liabilities, including but not limited to claims, judgments and liabilities for injuries to persons (including death) and damage to property if and to the extent the same results from any act, omission, negligence, fault or default of Consultant or its Subcontractors, or their agents, employees, servants, independent contractors and subcontractors and from any claims against, or liability incurred by the Indemnitees by reason of claims against Consultant or its Subcontractors, or their employees, agents, servants, independent contractors and subcontractors for any matter whatsoever in connection with the Services performed under the Contract, including, but not limited to, claims for compensation, injury or death, and agree to reimburse the Indemnitees for reasonable attorney’s fees incurred in connection with the above. Consultant shall be solely responsible for the safety and protection of all its Subcontractors, or the employees, agents, servants, independent contractors, or subcontractors of Consultant or its Subcontractors, and shall assume all liability for injuries, including death, that may occur to said persons due to the negligence, fault or default of Consultant, its Subcontractors, or their respective agents, employees, servants, independent contractors or subcontractors.

This Subsection 1 shall survive the expiration or earlier termination of the Contract.

2. **Insurance.** At all times during the performance of the Services or for such other time periods as the Trust may require, the Consultant, at its sole cost and expense, shall purchase and maintain the insurance described in Appendix D unless the Trust determines, in its sole and absolute discretion, that such insurance limits warrant a reduction due to a material change in the Project or the Services.

ARTICLE VI
DOCUMENTS, CONFIDENTIALITY AND RECORDS

1. **Ownership of Documents.**

- (a) All originals, negatives, and electronic copies of all plans, drawings, reports, photograph, charts, programs, models, specimens, specifications, and other documents or materials required to be furnished by the Consultant under the Contract including drafts and reproduction copies thereof (“**Documents**”), shall be and remain the exclusive property of the Trust, and the Trust shall have the right to publish, transfer, sell, license and use all or any part of such reports, plans, drawings, specification and other documents without payment of any additional royalty, charge or other compensation to the Consultant. If the Documents are altered by the Trust or its agents, the Trust holds the Consultant harmless from any liability for such use.

- (b) The Consultant agrees that it shall not publish, transfer, license or, except in connection with carrying out its obligations under the Contract, use or reuse all or any part of the Documents, excluding the Consultant's "**Underlying Intellectual Property**" (as defined hereinafter), without the prior written approval of the Trust, except that the Consultant may retain copies of such reports and other documents for general reference use.
 - (c) The Consultant's Underlying Intellectual Property means the analytical concepts, approaches, methodologies, or formats developed by the Consultant's staff, and other materials not prepared for delivery to the Trust and also includes any derivatives, improvements, enhancements or extensions of the Consultant's Underlying Intellectual Property conceived, reduced to practice, or developed during the Term of the Contract that are not uniquely applicable to the Documents prepared for the Trust under the Contract.
 - (d) The Consultant represents and warrants that, except for material which is in the public domain and non-original material, the Documents:
 - (i) shall be wholly original material not published elsewhere;
 - (ii) shall not violate any copyright, trademark or other applicable law; and
 - (iii) shall not, to the best of Consultant's knowledge, constitute a defamation or invasion of the right of privacy or publicity, or an infringement of any kind, of any rights of any third party.
 - (e) The Consultant shall not make any unauthorized use of copyrighted, trademarked or other protected materials or intellectual property and agrees to defend, indemnify and hold harmless the Trust and their respective officers, officials, agents, members, directors, and employees against any damage or liability arising out of the Consultant's infringement or unauthorized use of any such material or property.
2. **Confidentiality.** The Consultant hereby agrees that all documents, data, recommendations, reports and other materials developed in the course of the Services authorized by the Contract are strictly confidential between the Consultant and the Trust and the Consultant may not at any time reveal or disclose such materials in whole or in part to any third party without first obtaining written permission from the Trust. Notwithstanding the preceding sentence, the Consultant shall cooperate fully with such third parties as the Trust may designate by written request.
3. **Maintenance, Audit and Examination of Records.** Pursuant to Section 10 of the Standard Clauses for NYS Contracts (attached hereto as Appendix A), the Consultant and its Subcontractors must maintain their respective books and records for examination and audit as specifically detailed therein. In the event of non-compliance thereof, the Trust shall not pay the Consultant any portion of the fee then due or becoming due, as the case may be, with respect to such non-compliance, and if such fee has already been paid, the Trust may require the Consultant to refund such fee. In addition, the Consultant shall be responsible for any audit costs incurred by the Trust as a result of such non-compliance.
4. **VENDEX.** The Consultant shall provide the Trust with a list of all Subcontractors employed for the performance of the Services whose subcontract amount totals \$25,000 or more. The Consultant will furnish each such Subcontractor whose subcontract amount totals \$100,000 or more with the Mayor's Office of Contracts Investigations Forms. These forms will be provided by the Trust to the

Consultant. The Consultant shall cause each such Subcontractor to fill out and complete the forms in a timely fashion but in no event later than the commencement of the Services performed by such Subcontractor pursuant to its subcontract.

ARTICLE VII
OTHER STANDARD PROVISIONS

1. **No Waiver.** Failure by the Trust to insist upon the strict performance of any term or condition of the Contract or to exercise any right or remedy consequent upon a breach thereof, and no acceptance of full or partial performance during the continuance of any such breach shall constitute a waiver of any such breach or such term or condition. No term or condition of the Contract to be performed or complied with by Consultant, and no breach thereof, shall be waived, altered or modified except by a written instrument executed by the Trust. No waiver of any breach shall affect or alter the Contract, but each and every term and condition of the Contract shall continue in full force and effect with respect to any other then existing or subsequent breach thereof. Consultant hereby waives any and all rights and remedies to which Consultant might otherwise be or become entitled to because of any wrongful act or omission of the Trust saving only Consultant's right to money damages.
2. **Provisions Required by Law Deemed Inserted.** Each and every provision of law and governmental regulation required by law to be inserted in the Contract shall be deemed to be inserted therein and the Contract shall read and enforced as though so included therein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party, the Contract shall be deemed to be amended to make such insertion or correction. If the Contract contains any unlawful provision, the same shall be deemed of no effect and shall, upon the application of either party, be deemed stricken from the Contract without affecting the binding force of the remainder.
3. **Reimbursement of Legal Fees.** In the event that Consultant and the Trust are involved in a legal proceeding relating to any part of the Contract, Consultant shall reimburse the Trust for all costs associated with said legal proceeding, including, but not limited to, court costs and reasonable attorney's fees incurred by the Trust where: (1) during said legal proceeding, a final determination by a neutral third party finds the Consultant to have materially breached the terms of the Contract; or (2) Consultant initiates said legal proceedings against the Trust and/or its directors, officers, or employees and Consultant does not prevail in such action.
4. **Assignment by the Trust.** The Trust may transfer and assign any and all of its rights and obligations under the Contract, including transferring and assigning its rights to the Consultant's performance of any portion of the Services provided for herein, together with the Trust's obligations and rights pertaining to such portion of Services, to any partnership, trust, governmental agency or department or other entity that the Trust determines has undertaken or will undertake any part of the Contract. The Trust shall provide the Consultant written notice of any such transfer and assignment. Such transfer and assignment shall relieve the Trust of any further liability or obligation hereunder.
5. **Entire Agreement/Amendment.** The Contract constitutes the entire agreement between the parties hereto and no statement, promise, condition, understanding, inducement, or representation, oral or written, express or implied, which is not contained in the Contract shall be binding or valid and the Contract shall not be changed, modified or altered in any manner except by an instrument in writing executed by the parties hereto.

6. **Interests of Others.** Nothing in the Contract shall be construed to give any person other than the Trust and Consultant any legal or equitable right, remedy or claim. The Contract shall be held to be for the sole and exclusive benefit of the Trust and Consultant.
7. **Modification.** No change, termination or attempted waiver of any of the provisions of the Contract shall be binding unless evidenced in a writing signed by both parties.
8. **Severability.** If any term or provision of the Contract or the application thereof to any person or in any circumstance shall to any extent be determined to be invalid or unenforceable, the remaining provisions of the Contract, or the application of such terms or provisions to persons or circumstances other than those as to which it is found to be invalid or unenforceable, shall in no way be affected thereby, and each term and provision of the Contract shall be valid and binding upon the parties, and enforced to the fullest extent permitted by law.
9. **Counterparts and Captions.** The Contract may be executed in one or more counterparts, each of which shall be deemed to be an original. Captions contained in the Contract are inserted only as a matter of convenience and shall not affect the construction or interpretation of any of the provisions hereof.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. APPENDIX E
M/WBE REQUIREMENTS

PARTICIPATION BY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES:
REQUIREMENTS AND PROCEDURES

I. General Provisions

- A. The Hudson River Park Trust (“Trust”) is required to implement the provisions of New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations (“NYCRR”) for all State contracts, as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- B. The contractor/consultant to the subject contract (the “Contractor” and the “Contract,” respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the Trust, to fully comply and cooperate with the Trust in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for New York State-certified minority and women-owned business enterprises (“MWBEs”). The Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR § 142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) and other applicable federal, state, and local laws.
- C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the assessment of liquidated damages pursuant to Section VII of this Appendix and such other remedies are available to the Trust pursuant to the Contract and applicable law.

II. Contract Goals

- A. For purposes of this Contract, the Trust hereby establishes an overall goal of 30 percent for MWBE participation, 15 percent for New York State-certified minority-owned business enterprise (“MBE”) participation and 15 percent for New York State-certified women-owned business enterprise (“WBE”) participation (collectively, “MWBE Contract Goals”) based on the current availability of MBEs and WBEs.
- B. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the MWBE Contract Goals established in Section II-A hereof, the Contractor should reference the directory of MWBEs at the following internet address: <https://ny.newnycontracts.com>.

Additionally, the Contractor is encouraged to contact the Division of Minority and Women’s Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by MWBEs on the Contract.

- C. The Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. FOR CONSTRUCTION

CONTRACTS – The portion of a contract with an MWBE serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE shall be sixty percent (60%) of the total value of the contract. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE. FOR ALL OTHER CONTRACTS - The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be twenty five percent (25%) of the total value of the contract.

- D.** The Contractor must document “good faith efforts,” pursuant to 5 NYCRR § 142.8, to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. Such documentation shall include, but not necessarily be limited to:
1. Evidence of outreach to MWBEs;
 2. Any responses by MWBEs to the Contractor’s outreach;
 3. Copies of advertisements for participation by MWBEs in appropriate general circulation, trade, and minority or women-oriented publications;
 4. The dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by the Trust with MWBEs; and,
 5. Information describing specific steps undertaken by the Contractor to reasonably structure the Contract scope of work to maximize opportunities for MWBE participation.

III. Equal Employment Opportunity (“EEO”)

- A.** The provisions of Article 15-A of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to the Contract.
- B.** In performing the Contract, the Contractor shall:
1. Ensure that each contractor and subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
 2. The Contractor shall submit an EEO policy statement to the Trust within seventy-two (72) hours after the date of the notice by the Trust to award the Contract to the Contractor.
 3. If the Contractor, or any of its subcontractors, does not have an existing EEO policy statement, the Trust may require the Contractor or subcontractor to adopt a model statement (see Equal Employment Opportunity Policy Statement attached hereto).
 4. The Contractor’s EEO policy statement shall include the following language:

The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability, or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.

- b. The Contractor shall state in all solicitations or advertisements for employees that, in the performance of the contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- c. The Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- d. The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 and Paragraph "E" of this Section III, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

C. INTENTIONALLY DELETED

D. Form _____ - Workforce Utilization Report

- 1. The Contractor shall submit a Workforce Utilization Report, and shall require each of its subcontractors to submit a Workforce Utilization Report, in such form as shall be required by the Trust on a monthly basis for construction contracts and on a quarterly basis for all other contracts during the term of the Contract.
- 2. Separate forms shall be completed by the Contractor and any subcontractors.

- E.** The Contractor shall comply with the provisions of the Human Rights Law, and all other State and Federal statutory and constitutional non-discrimination provisions. The Contractor and its subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

IV. MWBE Utilization Plan

- A.** The Contractor represents and warrants that the Contractor has submitted an MWBE Utilization Plan, or shall submit an MWBE Utilization Plan at such time as shall be required by the Trust, through the New York State Contract System ("NYSCS"), which can be viewed at <https://ny.newycontracts.com>, provided however, that the Contractor may arrange to provide such evidence via a non-electronic method to the Trust, either prior to, or at the time of, the execution of the Contract.
- B.** The Contractor agrees to adhere to such MWBE Utilization Plan in the performance of the Contract.
- C.** The Contractor further agrees that failure to submit and/or adhere to such MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, the Trust shall be entitled to any remedy provided herein, including but not limited to, a finding that the Contractor is non-responsive.

V. Waivers

- A.** If the Contractor, after making good faith efforts, is unable to achieve the MWBE Contract Goals stated herein, the Contractor may submit a request for a waiver through the NYSCS, or a non-electronic method provided by the Trust. Such waiver request must be supported by evidence of the Contractor's good faith efforts to achieve the maximum feasible MWBE participation towards the applicable MWBE Contract Goals. If the documentation included with the waiver request is complete, the Trust shall evaluate the request and issue a written notice of approval or denial within twenty (20) business days of receipt.
- B.** If the Trust, upon review of the MWBE Utilization Plan, quarterly MWBE Contractor Compliance Reports described in Section VI, or any other relevant information, determines that the Contractor is failing or refusing to comply with the MWBE Contract Goals, and no waiver has been issued in regards to such non-compliance, the Trust may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

VI. Quarterly MWBE Contractor Compliance Report

The Contractor is required to submit a quarterly MWBE Contractor Compliance Report through the NYSCS, provided however, that the Contractor may arrange to provide such report via a non-electronic method to the Trust by the 10th day following the end of each quarter during the term of the Contract.

VII. Liquidated Damages - MWBE Participation

- A.** Where the Trust determines that the Contractor is not in compliance with the requirements of this Appendix and the Contractor refuses to comply with such requirements, or if the Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, the Contractor shall be obligated to pay to the Trust liquidated damages.
- B.** Such liquidated damages shall be calculated as an amount equaling the difference between:
 - 1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and

APPENDIX E-1

COMPLIANCE WITH THE STATE UTILIZATION MANAGEMENT PROGRAM

I. Background

- A. The NYSCS manages the State Utilization Management Program (“**SUMP**”) to track the advertising, reporting and compliance of MWBE contracts. All contracts involving the purchase of commodities/services greater than \$25,000 and construction contracts greater than \$100,000 must be entered and tracked through SUMP. The MWBEs utilization goal is applicable to subcontracted services, materials, equipment and supplies.
- B. Awardees must register and create a SUMP account to submit their MWBE utilization plan, request subcontractors (if required), record payments to subcontractors, and communicate with the Trust’s project manager throughout the term of the contract.
- B. An awardee may utilize SUMP for the outreach of prospective MWBE subcontractors or to obtain a list of certified MWBE subcontractors that specialize in specific trades.
- C. Upon contract award, an awardee must enter its MWBE utilization plan into SUMP. The awardee may contact the Trust and arrange to meet with a Trust representative at the Trust offices where the awardee will log into SUMP and the Trust representative will manually enter the awardee’s approved utilization plan into SUMP. The awardee will be solely responsible for the information and M/WBE commitments identified in the utilization plan.
- D. As a condition precedent to contract execution, the awardee must provide the Trust with: (a) documentation that it will meet the 30% MWBE participation goal or (b) appropriate backup and good faith efforts documented to support the grant of an MWBE waiver. The Trust will apply for this waiver on behalf of the awardee; however, the awardee is responsible for justifying the waiver exception and maintaining the approved participation goal. Acceptable documentation to support the granting of a waiver includes: a SUMP Vendor List with view log and outreach statistics; relevant supporting documentation justifying the “good faith efforts” made to comply with the contract MWBE goals, which may include fax or email solicitations and explicit responses, or documentation that a targeted firm is no longer doing business.
- E. The Trust will provide assistance to awardees with regards to the MWBE program in general and the processing of information into SUMP.

II. Compliance Reporting

- A. Prior to the commencement of contract services, the awardee must provide the Trust with a material purchase order, copy of a subcontract, or a letter from each MWBE subcontractor confirming an award (or negotiations of an award) of a subcontract.

- B. SUMP utilizes a “Total Dollar Value Utilization Report” to track MWBE participation throughout the term of the contract. The Total Dollar Value Utilization Report must be updated and submitted with each payment made by the Trust to the awardee. Payments should indicate the dollar amount of payments made to MWBEs and include cancelled checks or signed waivers from MWBE subcontractors for each payment period of reported activity. The awardee’s failure to update the report, or provide appropriate backup, may be result in a non-compliance determination. The Trust will provide the awardee appropriate training and support to facilitate the awardee’s performance of these tasks. Alternatively, the Trust may, on behalf of the awardee, enter the payment information into SUMP.
- C. The Trust may notify subcontractors of payments made by the Trust to the awardee or seek confirmation of payments that awardee claims to have made to MWBE subcontractors.
- D. New subcontractors may be added during the term of the contract, as required. If the MWBE percentage goal is reduced during the term of a contract (by a reduction in scope or by the removal of an MWBE subcontractor), the awardee must either replace that MWBE with a similar MWBE or seek a waiver as provided in Section I.D above.

III. Contract Closeout

Prior to contract closeout, the awardee must supply the Trust with final lien waivers from each subcontractor that supplied goods and/or services for the project. The dollar amounts indicated on each “MWBE Waiver and Lien Release” (supplied by the Trust) must meet or exceed the projected participation goal indicated on the most recently approved MWBE utilization plan; otherwise, the awardee must seek a waiver as provided in Section I.D. above.

APPENDIX F
SDVOB REQUIREMENTS

ATTACHMENT B – SDVOB NO GOALS

PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE-DISABLED VETERAN-OWNED BUSINESSES

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOBs”); thereby further integrating such businesses into New York State’s economy. The Trust recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of the Trust contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders/Contractors are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

For purposes of this procurement, the Trust conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Bidder/Contractor is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: <http://ogs.ny.gov/Core/SDVOBA.asp>

Bidder/Contractor is encouraged to contact the Office of General Services’ Division of Service-Disabled Veteran’s Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract.
