

# The Life Cycle of a Monarch Butterfly

HUDSON RIVER PK

Butterfly

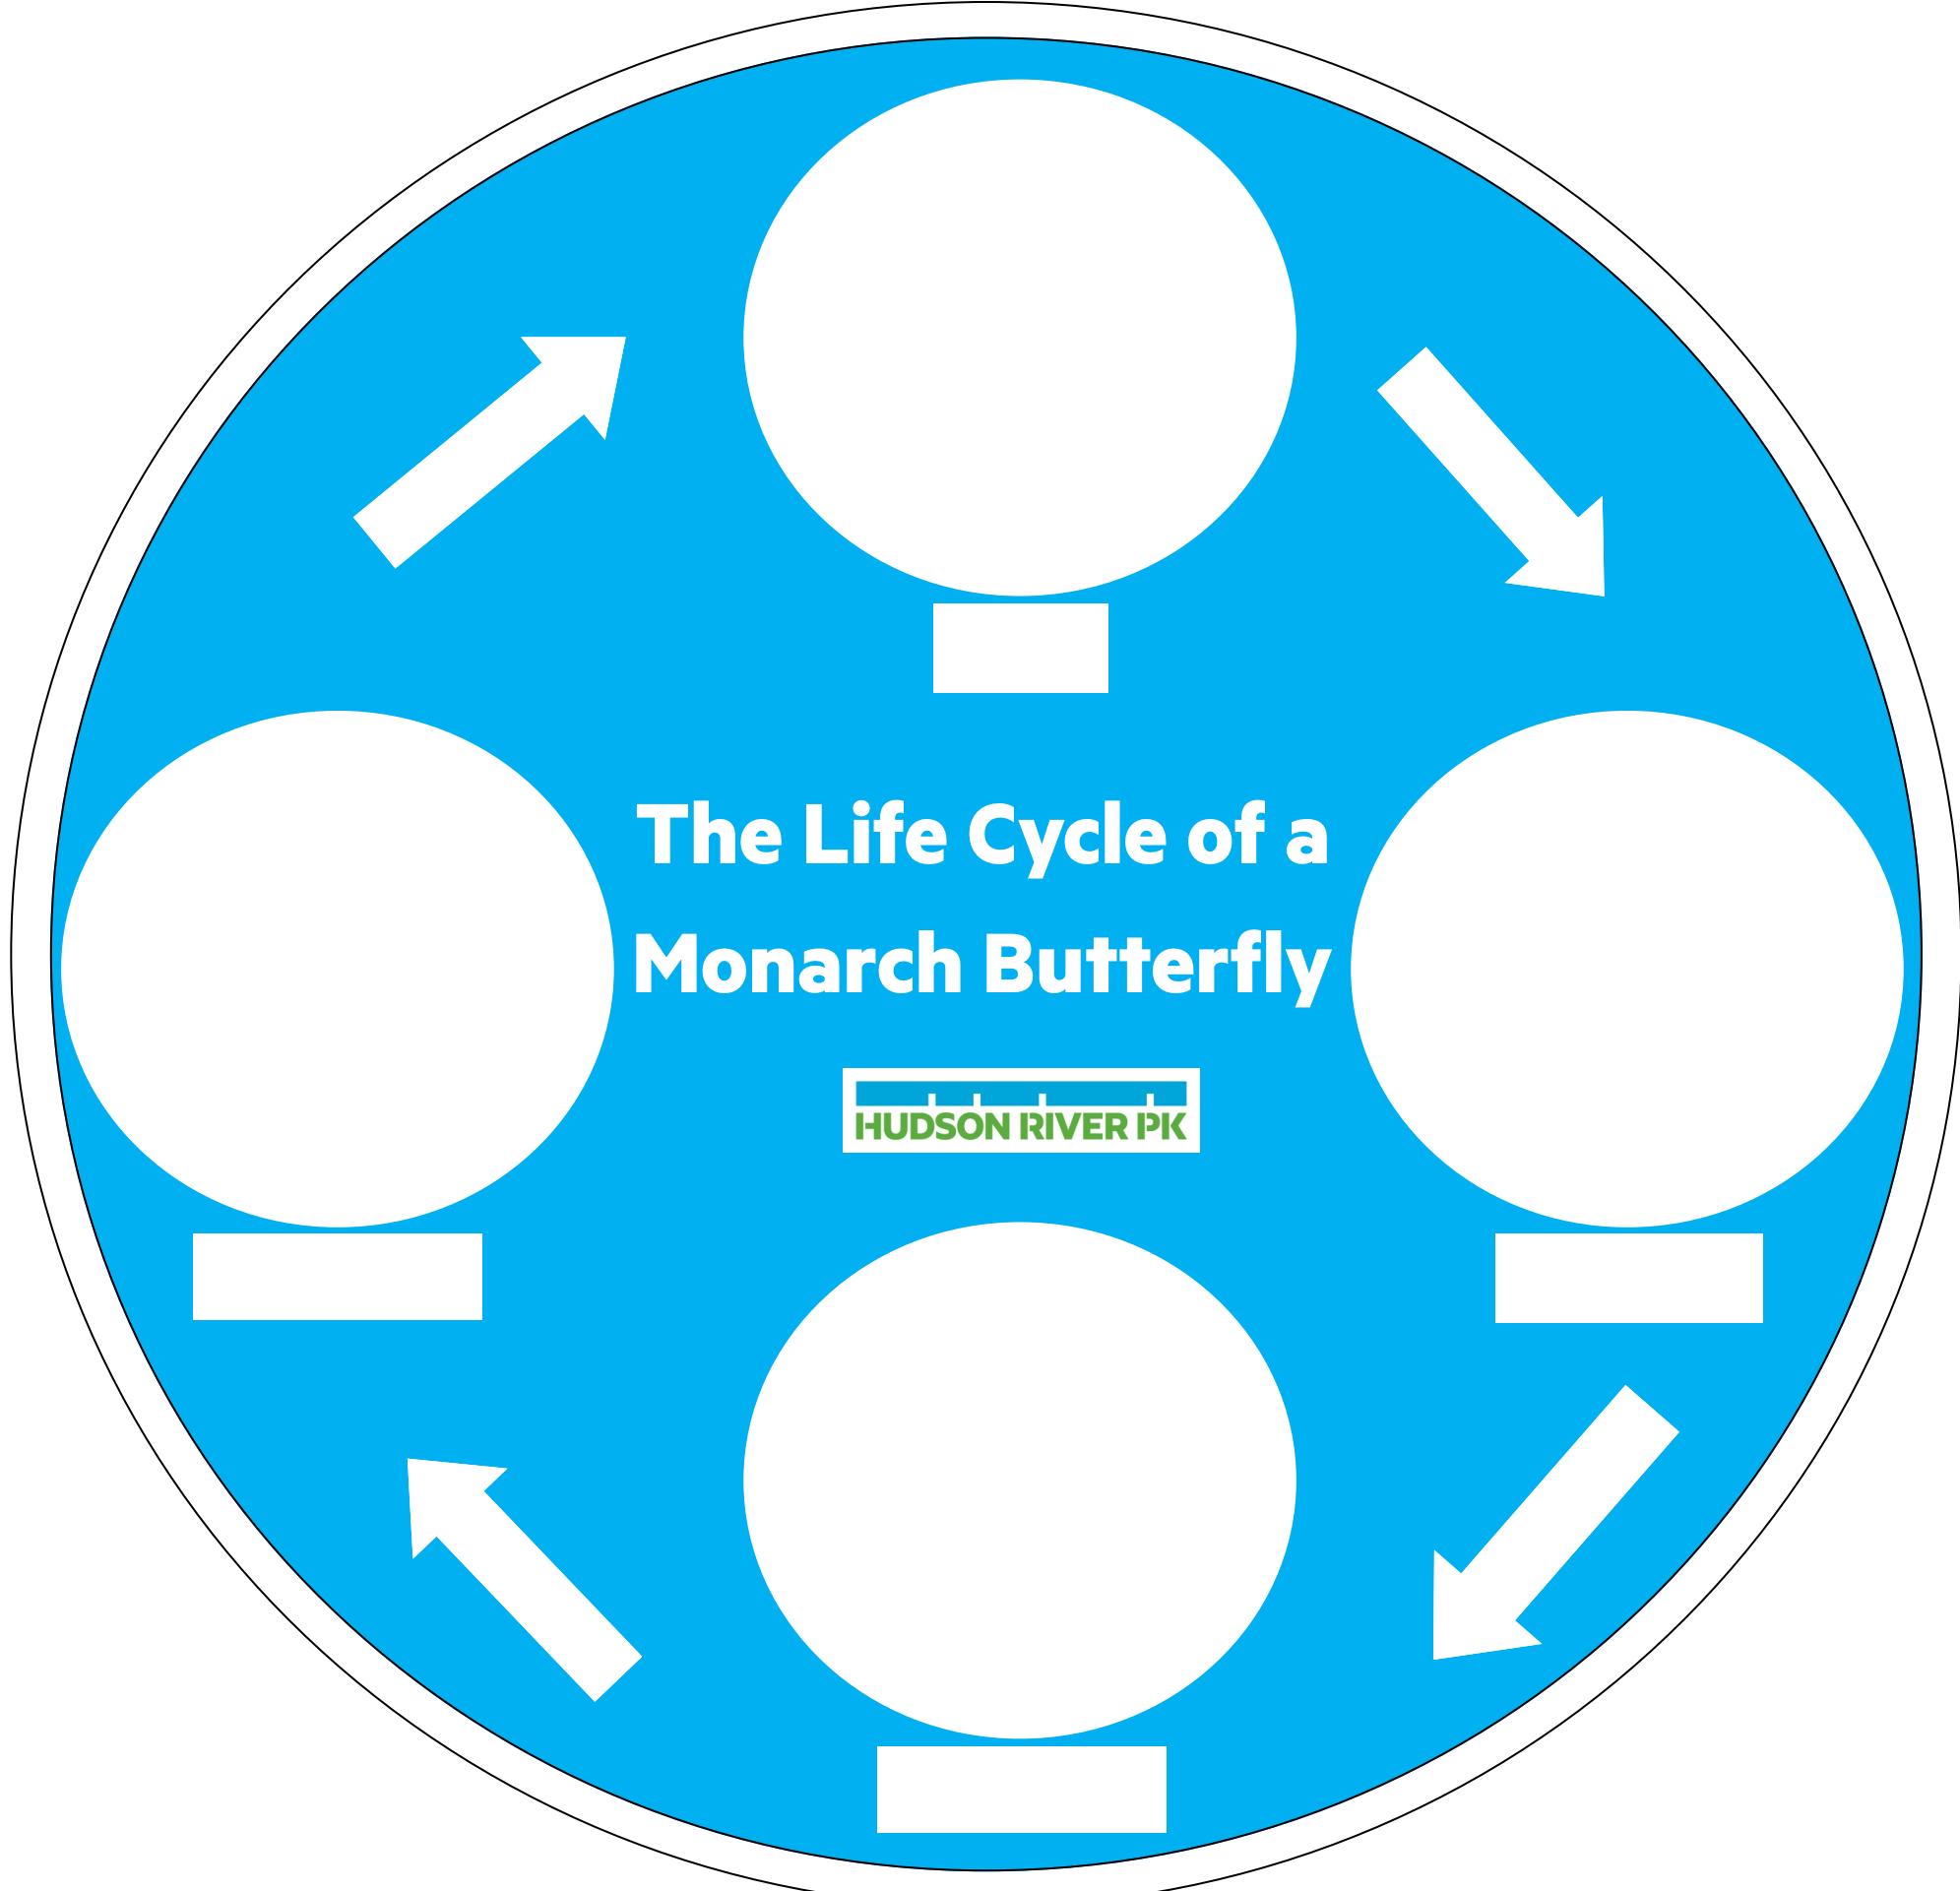

Chrysalis

Egg

Caterpillar

The diagram illustrates the life cycle of a Monarch butterfly in a circular format. It consists of five white circles arranged in a circle, connected by thick blue arrows pointing clockwise. The stages are represented by small white rectangles positioned below each circle. The top rectangle contains the text "EGG". The middle row contains two rectangles, with the left one being blank and the right one containing the text "LARVA". The bottom row contains two rectangles, with the left one being blank and the right one containing the text "PUPA". The entire diagram is set against a light blue background within a white circular border.
