The Hudson River Valley Animal Carousel is an enchanting and exuberant treasure, delighting our Park’s youngest visitors and awakening the inner child in all of us.

Artfully nestled on Pier 62 in the Chelsea section of Hudson River Park, the custom-designed carousel features 33 hand-carved wooden animal figures native to the region as well as one distinctive Oyster Chariot. The Park’s signature, one-of-a-kind attraction is the centerpiece of this exquisite open space, a singular gem adorning the glorious Hudson.

Friends of Hudson River Park is proud to announce the rare opportunity to now adopt one or more of these extraordinary carousel creations, each a unique work of art. This special naming privilege on the Pier 62 Hudson River Valley Animal Carousel is a remarkable way to commemorate a loved one or honor your little one with a personalized plaque that will bear your designation for five years. Your carousel dedication not only claims your prized creation, it is also a testament to your dedication to Hudson River Park.
Dedication levels are based on the location, size and rarity of each carousel creation.
