

# Make Your Mark on a Milestone

Over the past 20 years, Hudson River Park has transformed more than four miles of decaying industrial riverfront on Manhattan's west side into New York's Park for Play.

**At this key milestone, mark your place in Hudson River Park's history—and its future.**

Celebrate Hudson River Park's 20th Anniversary by helping us reach our goal of raising \$500,000 to keep the Park beautiful, safe, clean and green. Donations of \$5,000 and higher will be commemorated on a special 20th Anniversary plaque.
