

Position Description

Operations

Maintenance Plumbing Technician

Hudson River Park Trust

Reports to: Director of Facilities

Uniformed: Yes **Hours/Week:** 40 **OT Required:** Yes **FLSA:** Non-Exempt

Hudson River Park Trust (HRPT) seeks to fill a Maintenance Plumbing Technician position in its Facilities Department. The qualified individual will have a minimum of 4 years' experience in facilities and equipment maintenance, inspection and repair, with a background and knowledge in plumbing and general building mechanical systems. The individual should be well organized, have a proactive work ethic, exhibit professionalism and have the ability to conduct themselves professionally as a representative of HRPT.

Background:

HRPT is a public benefit corporation created by act of the New York State Legislature. The mission of HRPT is to design, construct and operate a prominent, and very heavily used, 4 mile waterfront park on the west side of Manhattan. The park receives approximately 17 million user visits annually and HRPT hosts numerous special events, educational programs, and park compatible commercial activities.

Responsibilities/Duties:

The responsibilities of this position include, but are not limited to, the following:

- Complete work orders and daily tasks as assigned; track time, resources and materials on a daily basis using HRPT's Computerized Maintenance Management System (CMSS) system.
- Inspect, install and make repairs to various piping systems throughout the park, including domestic water, waste and storm water, irrigation systems and gas using various types of pipe and tubing including galvanized and black iron, cast iron, copper, PVC etc.
- Inspect, install and repair plumbing fixtures including tank and tankless toilets, sinks and lavatories, urinals, flushometers, faucets, drinking fountains, display fountains and other plumbing equipment.
- Service and repair various heating systems and components including boilers, hot water heaters, furnaces and circulator pumps.
- Participate in the winterization of buildings, fountains and underground piping.
- Be proficient in the use of all plumbing tools including but not limited to pipe cutting, threading and bending equipment, plumbing snakes, brazing and soldering equipment, pipe wrenches and vices.
- Safely operate tools and equipment in compliance with all federal OSHA, state, and local safety requirements, including, but not limited to: trucks, off road vehicles (standard and automatic transmissions), specialized equipment (sweeper/scrubber, wheel loader, skid steer loader, etc.), small power equipment (generators, compactors, mixers, drills, saws, torches, pumps, vacuums etc.), hand tools (wrenches, hammers, floats, etc.), hydraulic and pneumatic systems, controls and tools and use proper personal protective equipment (PPE).
- Perform other duties as directed or required commensurate with need and incumbent's level of skill which may include: inspection and repair of life safety

systems, electrical and mechanical equipment, pavement, wood structures, and site furnishings; snow and ice removal; set-up and break-down of special events.

Education & Experience:

High School Diploma or GED and 4 years relevant work experience required. Certificates and/or degrees from an accredited technical training institution are preferred. Candidates with like experience in parks and public space operations and maintenance of site and building systems are preferred.

Special Requirements:

- Willingness and ability to perform physical labor by lifting objects weighing at least 50 pounds consistently, squatting, bending, etc. are required, both indoors and outdoors in all types of weather.
- Be available for “stand-by” work on a predetermined basis or as emergency response.
- Be available to work on some holidays, work schedule may include evenings and/or weekends.
- Ability to interact with the public in a polite, friendly and informative manner.
- Be proficient in computer use, written and verbal communication and be able to communicate with immediate supervisor and other staff effectively in line with HRPT policies and procedures.
- A valid driver’s license with a clean history is required and candidates with a CDL are preferred.

Compensation / Benefits:

Competitive salary of \$26.44 - \$28.84 hourly (\$55,000-\$60,000 annually) and excellent benefits package including paid holidays, vacation time, sick and personal time, medical, dental and vision insurance, and participation in New York State Retirement System. The position is covered under a collective bargaining agreement between HRPT and Local 30 of the International Union of Operating Engineers, AFL-CIO.

Application Process:

Interested applicants are to submit a resume and cover letter to Kate Yarhouse, Director of Human Resources to: resumes@hrpt.ny.gov. Indicate Job Code: 2018 Facilities in the subject line of your email. No phone calls please.
