

Position Description

Estuary Lab Seasonal Environmental Education Intern

Reports to: Director of Education & Outreach

Uniformed: Semi (uniformed shirts) **Hours/Week:** 30

Start Date & Term: Seasonal, 10 weeks + optional September extension

Background:

The Trust is a public benefit corporation created by act of the New York State Legislature and a 501(c)(3) charitable organization. The mission of the Trust is to design, construct and maintain a prominent, and very heavily used, 4 mile long waterfront park on the west side of Manhattan. The Park includes landscaped public piers and display gardens, lawn areas, ecological planting zones, athletic fields, esplanades, docks, public sculptures and other special features. Approximately 75% of the Park has been constructed with a mix of State, City and Federal capital funding.

Job Description:

The Seasonal Environmental Education Interns will provide high quality hands-on environmental education experiences to students and park patrons. Each year, Hudson River Park's Estuary Lab educators serve tens of thousands of New Yorkers with the implementation of our robust environmental education programming during the summer season. In addition, interns will support park research and monitoring projects focused on oyster restoration, marine debris, eDNA and fish population dynamics. A successful candidate will have prior experience working with children and/or prior knowledge of environmental/marine science, have a great work ethic and enjoy working outdoors. We are looking for team players who want to gain experience in the environmental field and provide impactful educational experiences to diverse communities.

Specific Tasks & Responsibilities include, but are not limited to, the following:

Environmental Education:

- Teach HRPK's environmental education programs to camp groups at outdoor locations throughout the Park
- Facilitate HRPK's public drop-in programs at outdoor locations throughout the Park, including Big City Fishing, Shell-ebrate Oysters, Roving River and more
- Learn catch and release fishing and how to handle live fish and bait
- Develop educational resources to be used in programming and maintain various department resources, such as fishing poles and power tools

Wildlife Care:

- Monitor and maintain fish tanks, filtration equipment and aquaria signage
- Provide proper care and husbandry to fish, plants and other animals in tanks

Park Research:

- Support park field scientists conducting research focused on oyster restoration, eDNA and marine debris
- Facilitate monitoring projects with students and members of the public to collect accurate scientific data

Education & Experience Requirements:

- Applicants must have completed at least two years towards a Bachelor's or an Associate's Degree
- Coursework focused on marine, environmental science, or education is preferred
- Strong interest in teaching diverse audiences a variety of environmental themes is required
- Applicants must be comfortable interacting with members of the public in a friendly and professional manner

Special Requirements:

- Ability to work as a part of a team, multitask and problem solve
- Willingness to practice catch and release fishing and handle live animals required
- Candidates should have an interest in learning and acquiring new skills
- Familiarity with Hudson River Park and general NYC geography are preferred
- Ability to lift approx. 50 pounds, work outside in all weather conditions and on weekends (Sunday-Wednesday schedule with occasional Saturdays) is required
- A valid driver's license is required

Compensation & Schedule:

- \$16.00 per hour
- 10 week seasonal position, from 6/24 to 8/25 with optional September extension
- Educators are expected to work approx. 30 hours per week, including weekends and some evenings
- Mandatory Orientation 6/24-27 & 7/1-3 (approx. 930-4)
- Standard work week Sunday to Wednesday: Sundays (10-630); Mondays (1130-8); Tuesdays (930-4); Wednesdays (930-4)
- Saturday work dates: 7/13 & 8/10
- September extension work dates: September 1, 8, 15, 22 & 28

Application Process:

Interested applicants are to submit a resume and cover letter to the Director of Education at resumes@hrpt.ny.gov. **Indicate Job Code: "2019 Seasonal Environmental Education Intern" in the subject line.**

No phone calls please.
