Hudson River Park
Venue Guide
Hudson River Park has become one of the most beautiful and vibrant waterside parks in the country. After centuries of serving as a vibrant port, followed by decades of decline and decay, the Hudson River waterfront is once again a must-see destination. With more than 17 million visitors annually, Hudson River Park has become a beloved, urban recreational paradise accessible to all.

**Hudson River Park**

- 550 acres of parkland and water stretching from Battery Place in lower Manhattan to 59th Street.
- Ten entertainment venues for national and local events including top level fashion, music, sports and film
- A combination of recreational piers, jogging and biking trails, skate parks, tennis courts, basketball courts and beautiful landscape along the Hudson River.
Pier 25 is the hottest destination in Tribeca that beckons you to host your next corporate retreat or themed event. With an 18-hole miniature golf course, sand volleyball courts, small boat mooring field, artificial turf lawn and lounge seating on the western end of the pier, Pier 25 is truly a playground for hosting unique and exciting events.
