

Your MWBE Utilization and Reporting Responsibilities Under Article 15-A

As a vendor conducting business with New York State, you have a responsibility to utilize minority- and/or women-owned businesses in the execution of your contracts, per the MWBE percentage goals stated in your incentive proposal or contract documents.

The New York State Contract System ("NYSCS") is the tool that New York State uses to monitor MWBE participation in state contracting. Through the NYSCS you will submit utilization plans, request subcontractors, record payments to subcontractors, and communicate with your project manager throughout the life of your awarded contracts.

There are several reference materials available to assist you in this process. Once you log onto the website, click on the **Help & Support >>** link on the lower left hand corner of the Menu Bar to find recorded trainings and manuals on all features of the NYSCS. You may also click on the

Help & Tools 

icon at the top right of your screen to find videos tailored to primes and subcontractors. There are also opportunities available to join live trainings, read up on the Knowledge Base through the Forum link, and submit feedback to help improve future enhancements to the system.

Technical assistance is always available through the **Contact Us & Support** link on the NYSCS website (<https://ny.newnycontracts.com>).

For more information, contact your project manager.
