AGREEMENT
BETWEEN
THE CITY OF NEW YORK
AND
HUDSON RIVER PARK TRUST
This AGREEMENT is made effective as of the 3rd day of April, 1999 (the “Commencement Date”) between The City of New York (“City”) and the Hudson River Park Trust (“HRPT”), a public benefit corporation of the State of New York;

WHEREAS, the Hudson River Park Act, Chapter 592 of the Laws of 1998 of the State of New York (the “Act”), designated and dedicated certain of the properties along Route 9A in lower Manhattan from Battery Place north to 59th Street as the “Hudson River Park” (the “Park”). The Park includes both upland and underwater lands, the western boundary of which is the U.S. pierhead line. Section 3(e) of the Act more particularly describes the extent of the park boundaries;

WHEREAS, HRPT has been duly created pursuant to Section 5 of the Act, as a body corporate and politic constituting a public benefit corporation, for the purpose of planning, designing, developing, constructing, operating and maintaining the Park as more specifically described and defined in the Act;

WHEREAS, Section 7.3(b) of the Act directs the City to enter into an agreement that conveys to HRPT a possessory interest in the City lands within the Park and confirms HRPT’s right to properly exercise the powers and responsibilities provided to HRPT under the Act;

WHEREAS, this Agreement is intended to fulfill the obligations set forth in Section 7.3(b) of the Act;

WHEREAS, this Agreement is intended to protect and preserve The City of New York’s ownership and regulatory control over the City-owned property within the Park, through New York City Department of Parks and Recreation (“Parks”), and to further the City’s interest in creating and maintaining a world class park along the Hudson River that will, among other things, encourage,
promote and expand public access to the Hudson River, promote water-based recreation, and enhance the natural, cultural, and historic aspects of the Hudson River; and

WHEREAS, this Agreement is strictly a conveyance to HRPT of a possessory interest of the City-owned lands within the Park in accordance with Section 7.3(b) of the Act and is not intended and nor shall it be construed to be a waiver or modification of any other statutory and regulatory rights or obligations of the parties hereto, including the City’s exercise of its police powers. HRPT is and shall continue to be bound by any and all applicable statutory and regulatory requirements of the City, respecting development, operation and/or maintenance of the Park, including giving the City or its designees access to, over and through the Premises as needed in furtherance of the exercise of the City’s police powers.

NOW, THEREFORE, the City and HRPT agree as follows:

SECTION 2.01. The City, for good and valuable consideration, hereby demises and leases unto HRPT in accordance with Section 7.3 of the Act, and HRPT does take and hire the Premises, to the full extent of the authority provided it under the Act, together with all franchises, easements, appurtenances, encumbrances and other rights and privileges now or hereafter belonging or appertaining to the Premises, subject to: (1) the Act; (2) all existing encumbrances, liens, permits, licenses, easements or other rights, matters, instruments or violations in effect on the date of this Agreement including those listed in Exhibit B annexed hereto; (3) those rights (the "Continuing Use Rights") of the City and certain current and future licensees, permittees, lessees and invitees to use, without interference, those portions of the Premises as and for the purposes described in Exhibit C; (4) an easement giving the City and certain lessees, licensees, permittees or invitees the right to use the Premises in accordance with the terms of an Incumbent Use Lease or a Continuing Use Right as and for the purposes described in Exhibit C hereof; and (5) the reservations, covenants and agreements hereinafter expressed.

HRPT, its successors and assigns, shall have quiet enjoyment of the Premises for the purposes
herein set forth for a term of forty-nine (49) years (the "Term") commencing on the Commencement Date and expiring at 12:00 o'clock noon on the forty-ninth (49th) anniversary of the Commencement Date (the "Expiration Date") both dates inclusive, unless this Agreement shall sooner terminate as hereinafter provided. The term of this Agreement may be extended for two (2) additional periods of twenty-five (25) years each, by mutual agreement of the Parties. Unless notice, as provided for in Article XVIII of this Agreement, is given by one of the Parties within six (6) months of the end of the Term as provided for herein, the term extension shall be automatic.

SECTION 2.02. HRPT acknowledges that it is familiar with and has inspected the Premises, the physical condition thereof (including, without limitation, the fact that the Premises includes substantial portions of waterfront and pier property which may present special difficulties in design, construction and maintenance of the Premises), and the Incumbent Leases. HRPT accepts the Premises as is, in its existing condition and state of repair, and, except as otherwise expressly set forth in this Agreement, HRPT accepts and agrees that: (i) no representations, statements, or warranties, express or implied, have been made by or on behalf of the City in respect of the Premises, the status of title hereof, the physical condition thereof, the zoning or other laws, regulations, rules and orders applicable thereto, taxes, or the use that may be made of the Premises; and (ii) HRPT has not relied on any such representations, statements or warranties.

ARTICLE III

Construction of Project

SECTION 3.01. HRPT agrees that upon delivery to it of possession of the Premises or any portions thereof, it will on all or such portion commence or cause to be commenced or continue, as appropriate, and complete or cause to be completed, without cost to the City, the planning, design, development and construction of the Park, including the repair and/or replacement of any Improvements, in accordance with the Act and the General Project Plan, as that Plan may be amended from time to time in accordance with the terms of the Act.

SECTION 3.02. HRPT shall provide at least thirty (30) days prior written notice to the City any proposed amendments to the General Project Plan in accordance with Article XVIII below.

SECTION 3.03. Any and all planning, design, construction, lease, concession or other contracts or agreements entered into by HRPT in connection with the development, operation or use of the Premises shall include an express statement that the City is not a party to such contract or agreement and in no way shall be responsible to any party for any claims of any nature whatsoever arising or which may arise from such contract or agreement unless the City expressly takes over such contract or agreement and then only as to claims arising after such contract or agreement is taken over by the City.

ARTICLE IV

Rent and Impositions

SECTION 4.01. HRPT shall pay the City in consideration for this Agreement an annual fee of
one ($1) dollar, for a total sum of forty-nine ($49) Dollars over the term of this Agreement, together with other good and valuable consideration, the receipt of which is hereby acknowledged.

SECTION 4.02. Any rents, profits, revenue and/or income from sales, rentals, or any source whatsoever derived by HRPT from the Premises shall be used only for those purposes contemplated by the Act.

SECTION 4.03. (a) HRPT shall pay, in the manner provided herein, all Impositions that, with respect to any period occurring during the Term, are, or would be, if the Premises or any part thereof or the owner thereof were not exempt therefrom, assessed, levied, confirmed, imposed upon, or would be charged to the owner of the Premises with respect to (i) the Premises, or (ii) the sidewalks or streets in front of or adjoining the Premises, or (iii) any vault, passageway or space in, over or under such sidewalk or street, or (iv) any other appurtenances of the Premises, or (v) any personal property or other facility used in the operation thereof, or (vi) rent (or any portion thereof) or any other amount payable by HRPT hereunder, or (vii) any document to which HRPT is a party creating or transferring an interest or estate in all or any part of the Premise, or (viii) the use and occupancy of the Premises, or (ix) this transaction. Notwithstanding the preceding however, nothing in this Section 4.03 or in this Agreement shall require or be deemed to require HRPT to pay any Imposition which HRPT would not be required to pay, if it were the fee owner of the Premises, by reason of any exemption from such Imposition to which HRPT would be legally entitled as owner of the Premises.

(b) "Imposition" or "Impositions" means: (i) real property general and special assessments (including, without limitation, any special assessments for or imposed by any business improvement district or by any special assessment district) other than Taxes, (ii) personal property taxes, (iii)

assessments or taxes and charges, general and special, ordinary and extraordinary, foreseen and 
unforeseen, now or hereafter enacted, of any kind whatsoever, and (ix) any fines, penalties and other 
similar governmental charges applicable to the foregoing, together with any interest or costs with 
respect to the foregoing.

(c) HRPT shall pay each Imposition or installment thereof not later than the date the same 
may be paid without interest or penalty. However, if by law, at HRPT’s option, any Imposition may be 
paid in installments (whether or not interest shall accrue on the unpaid balance of such Imposition), 
HRPT may exercise the option to pay the Imposition in such installments and shall be responsible for 
the payment of such installments when due with such interest as may be required by law. Impositions 
shall be payable in the form and to the location provided by the rules and regulations of the City 
governing such payments.

If HRPT fails to make any payment of an Imposition (or any installment thereof) on or 
before the date as required in the preceding subsection, HRPT shall, at the City’s request, pay all 
Impositions or installments thereof thereafter payable by HRPT not later than ten (10) days before, the 
due date thereof. Nothing in this paragraph shall be construed to limit the City’s default remedies as set 
forth elsewhere in this Agreement after failure by HRPT to timely pay any Imposition.

SECTION 4.04. At the request of the City, HRPT shall furnish the City, within thirty (30) 
days after the date when an Imposition is due and payable, official receipts of the appropriate taxing 
authority or other proof reasonably satisfactory to the City, evidencing the payment thereof.
SECTION 4.05. Any certificate, advice or bill of the appropriate official designated by law to make or issue the same or to receive payment of any Imposition asserting non-payment of such Imposition shall be prima facie evidence that such Imposition is due and unpaid at the time of the making or issuance of such certificate, advice or bill, at the time or dated stated therein.

SECTION 4.06. Any Imposition relating to a fiscal period of the taxing authority, a part of which is included within the Term and a part of which is included in a period of time before the Commencement Date or after the Expiration Date, shall be apportioned pro rata between the City and HRPT as of the Commencement Date or the Expiration Date.

SECTION 4.07. The City shall pay, cancel, or otherwise satisfy and discharge of record any and all Taxes on or before the due date thereof (which may be by bookkeeping entry, interdepartmental direction or other manner or procedure selected by the City).

Within ten (10) days of its execution of this Agreement, HRPT shall provide the City with Certificates of Insurance evidencing compliance with all insurance requirements contained in this Agreement. Such Certificates shall be of form and substance acceptable to the City. Acceptance and/or approval of a Certificate of Insurance by the City does not and shall not be construed to relieve HRPT of any obligations, responsibilities or liabilities under this Agreement.

State, and acceptable to the City; shall be primary and non-contributing to any insurance or self-

insurer acceptable to the City and rated at least "A-" Class "VII" in the most recently published Best's
Insurance Report.

SECTION 5.05. HRPT shall cause all insurance to be in full force and effect as on the
Commencement Date and to remain in full force and effect throughout the term of this Agreement and
as further required by this Agreement. HRPT shall not take any action, or omit to take any action that
would suspend or invalidate any of the required coverages during the period of time such coverages are

Full Insurable Value shall mean actual replacement cost of the Improvements (exclusive of cost of non-insurable portions thereof, such as excavation, foundations and footings);

Parties otherwise agree in writing, all repairs and maintenance shall be made at no cost or expense to
the City and shall be made in accordance with all applicable Governmental Requirements and insurance
policies.

ARTICLE VII

Governmental Requirements

SECTION 7.01. HRPT shall comply with any and all applicable Governmental Requirements,
without regard to the nature or cost of the work required to be done, affecting the Premises or affecting
the construction, maintenance, use, operation or occupancy thereof, whether or not the same involve or
require any structural changes or additions in or to the Premises, and without regard to whether or not
such changes or additions are required on account of any particular use to which the Premises, or any
part thereof, may be put; provided, however, that HRPT shall have the right to contest the validity of
any Governmental Requirements or the application upon HRPT thereof in accordance with Section
SECTION 7.02. With respect to any proceeding challenging the validity or applicability of any Governmental Requirement, HRPT shall take all reasonable steps necessary to promptly commence such action after HRPT receives notice from a governmental authority asserting the applicability of such Governmental Requirement and shall prosecute to final adjudication with reasonable dispatch. Notwithstanding the foregoing, HRPT shall promptly comply with any such Governmental Requirement, and compliance shall not be deferred if such non-compliance shall result in the imminent loss or forfeiture of the Premises, or any part thereof or if the City shall be in danger of being subject to criminal liability or penalty by reason of non-compliance therewith.

ARTICLE VIII
Damage to or Destruction of Improvements

SECTION 8.01. HRPT assumes the risk of, and shall be responsible for, any loss or damage to City property in or on the Premises and under HRPT's direct or indirect control; if caused, either directly or indirectly by the acts, conduct, omissions or lack of good faith of HRPT, its officers, managerial personnel and employees, its tenants, or any person, firm, company, agent or other engaged by HRPT as an expert, consultant, specialist or subcontractor.

SECTION 8.02. HRPT covenants, with respect to insured or uninsured damage to Premises under the control and/or operation of an authorized Sublessee, Concessionaire, Permittee, and/or Licensee, that it will take, at its sole cost and expense, all appropriate steps (including litigation, if necessary) to ensure that such party restores, replaces, repairs or rebuilds such property and any

HRPT shall take all appropriate steps to ensure that such Sublessee, Concessionaire, Permittee, and/or Licensee undertakes and executes such restoration, repair, replacement or rebuilding work promptly and with reasonable diligence.

SECTION 8.03. HRPT covenants, with respect to damage or destruction of Premises under HRPT's direct control and operation, that it will take all reasonable measures to restore, replace, repair or rebuild the improvements or property damaged or destroyed to the condition, quality and class they were in immediately prior to such damage or destruction, or with such changes or alterations as HRPT, with thirty (30) days prior written notice to the City, shall elect to make in conformity with the provisions of Article III hereof. Any insurance proceeds received by HRPT as a result of damage or destruction of any portion of the Premises, in whole or in part, shall be used to undertake any needed restoration, repair, replacement or rebuilding work at such property or, if the work is not undertaken, such proceeds shall be dedicated for maintenance or construction work as may be needed at other State owned properties or improvements within the Premises.

SECTION 8.04. This Agreement shall not terminate by reason of damage or destruction, total or partial, to any improvements or property or by reason of the consequent untenantability, in whole or in part, of any improvement, and HRPT waives any and all rights to quit or surrender the Premises or any part thereof as a consequence of such damage or destruction, unless specifically mandated by subsequent legislation, and HRPT expressly agrees that its obligations hereunder, including the payment
of rentals, charges and other monetary obligations shall continue as though there were no damage or destruction.

ARTICLE IX

Condemnation

SECTION 9.01. If all or substantially all of the Premises is taken by any lawful power or authority by the exercise of the right of condemnation or eminent domain, then this Agreement and the Term shall terminate and expire on the date of such taking as if such were the scheduled expiration date, and any and all rights of the parties under this Agreement shall terminate (except as any such rights may have previously accrued). Any and all award, awards or damages in respect of such exercise of the right condemnation or eminent domain shall be payable in full to the City, and HRPT shall have no right whatsoever to any portion of such award, awards or damages.

SECTION 9.02. If any part of the Premises, but less than all of the Premises, is taken by any lawful power or authority by the exercise of the right of condemnation or eminent domain, then the demised premises under this Agreement shall be deemed to be immediately amended (without further action or agreement required by the parties hereto) to exclude all such part of the Premises. Any and all award, awards or damages in respect of such exercise of the right of condemnation or eminent domain shall be payable in full to the City, and HRPT shall have no right whatsoever to any portion of such award, awards or damages.

SECTION 9.03. If any part of the Premises is taken on a temporary basis by any lawful power or authority by the exercise of the right of condemnation or eminent domain, then the demised
premises under this Agreement shall be deemed to be immediately amended (without further action or agreement required by the parties hereto) to exclude all such part of the Premises (or all of the Premises, as the case may be) for the term of such temporary taking. Any and all award, awards or damages in respect of such exercise of the right of condemnation or eminent domain shall be payable in full to the City, and HRPT shall have no right whatsoever to any portion of such award, awards or damages. If such temporary taking shall terminate prior to the termination of this Agreement, then this Agreement shall, upon the termination of such temporary taking, be immediately deemed to again include the property which had been temporarily taken.

ARTICLE X

SECTION 10.01. In case any mechanic's lien shall at any time be filed against the Premises or the Improvements or any part thereof, or if any public improvement lien created or permitted to be created by HRPT shall be filed against any asset of or fund appropriated to the City, HRPT shall take all appropriate measures to cause the same to be discharged of record by payment, deposit, bond, order of a court of competent jurisdiction or otherwise. If HRPT shall fail to cause such lien to be discharged within ninety days then, in addition to any other right or remedy, the City may, but shall not be obligated to, discharge such lien either by paying the amount claimed to be due or by procuring the discharge of such lien by deposit or by bonding proceedings, or in any event the City shall be entitled, if the City so elects, to compel foreclosure of such mechanic's or public improvement lien by the lien holder and to pay the amount of any judgment in favor of the lien holder, with interest, costs and
allowances. All such sums paid by the City and all reasonable costs and expenses, including, without limitation, reasonable attorneys' fees and disbursements, incurred by the City in connection with a discharge pursuant to Section 10.01, together with interest thereon at the then-applicable statutory rate from the respective dates of the City's making of each such payment or incurring each such sum, cost or expense, until the date of actual repayment to the City shall be paid by HRPT to the City subject to appropriation, within ten (10) days after the City shall have submitted to HRPT a statement, in reasonable detail, substantiating the amount demanded by the City.

SECTION 10.02. Nothing in this Agreement shall be deemed or construed in any way as constituting the consent or request of the City, express or implied, to any contractor, subcontractor, laborer or materialman for the performance of any labor or the furnishing of any materials for any specific improvement, alteration or repair with respect to the Premises or the Improvements, or any part thereof. Nothing in this Agreement shall be deemed or construed in any way as giving HRPT any right, power or authority to contract or permit the rendering of any services or the furnishing of any materials that would give rise to filing of any lien against the Premises or the Improvements or any part thereof or any asset of or fund appropriated to the City or HRPT. Notice is hereby given that the City shall not be liable for any work performed or to be performed or any materials or services furnished or to be furnished for HRPT or any Subtenant, Concessionaire, Permittee and/or Licensee upon credit, with respect to the Premises or the Improvements, and that no mechanic's lien for such work or materials shall attach to the fee interests of the City in and to the Premises or any asset of or fund appropriate to the City.

If for any reason HRPT shall fail to take such actions, and such failure shall continue for thirty (30) days after HRPT’s receipt of notice from the City specifying such failure, the City is hereby irrevocably authorized (but not obligated) to take all such actions in HRPT’s name and on HRPT’s behalf, HRPT hereby appointing the City as HRPT’s attorney-in-fact coupled with an interest for all such purposes. All reasonable costs and expenses incurred by the City acting pursuant to the immediately preceding sentence (including, but not limited to, reasonable attorneys’ fees and disbursements), together with interest thereon at the then-applicable Involuntary Rate from the respective dates of the City’s making of each such payment or incurring of each such cost, expense until the date of receipt of repayment by the City, shall be paid by HRPT to the City within ten (10) days after demand and shall constitute rent under this Agreement in addition to and not in lieu of any other

SECTION 11.03. HRPT shall on the last day of the Term or upon any earlier termination of this Agreement (unless this Agreement has been renewed or HRPT has otherwise been given an extension of its right to possess or occupy the Premises), surrender and deliver up the Premises unto the possession and use of the City in accordance with their respective statutory authority over such properties, in good order, condition and repair, reasonable wear and tear excepted, free and clear of all leases and occupancies unless otherwise agreed in to writing by the City, and free and clear of all liens and encumbrances other than those, if any, existing at the date hereof, or any created by the City. SECTION 11.06. Except as provided in Section 11.07 below, any personal property of HRPT or any Concessionaire, Sublessee, Permittee, Licensee or other occupant remaining on the Premises after the termination of this Agreement and after the removal of HRPT or such Concessionaire, Sublessee, Permittee, Licensee or other occupant from the Premises, may, at the option of the City be deemed to have been abandoned by HRPT or such Concessionaire, Sublessee, Permittee, Licensee or other occupant and either may be retained by the City as its property or be disposed of, without accountability in such manner as the City may see fit. If HRPT defends any such action to which the City is made a party, the City shall be entitled to take part in the matter involved, at its election and cost, by counsel of its own choosing, provided that such action by the City shall not relieve HRPT of its obligation to indemnify the parties for any judgment or settlement amount, nor shall it limit or make void any liability of any insurer of HRPT hereunder in respect to the claim or matter in question.

SECTION 13.07. HRPT’s obligation to indemnify the City in accordance with Sections 13.04, 13.05 and 13.06 shall not apply to the extent the liability in question arises from the negligent or willful conduct or omission on the part of the City of any of its officers, employees, agents or assigns.

SECTION 14.01. need for further authorization by the City.

SECTION 14.02. The City hereby expressly assigns to HRPT, and HRPT hereby accepts
from the City, all of its interests, including all rights, privileges, duties and obligations, under the
Incumbent Use Leases. Within ten (10) days of the execution of this Agreement, the City will notify
existing Concessionaires, Lessees, Permittees and Licensees of HRPT’s authority and control over the

shall require that this Agreement is attached and its terms and conditions incorporated by reference in
all subsequent concession agreements, subleases, permits and licenses entered into by HRPT or its
Concessionaires, Sublessees, Permittees or Licensees for the Premises.

SECTION 14.03. HRPT is hereby empowered, without the need to obtain any further
authorization from the City to execute, upon a request from any of its Sublessees, Concessionaires,
Permittees and/or Licensees, any consents for any mortgage, assignment or sublease as may be

review and factual confirmation, is warranted and consistent with the purposes of the Hudson River
Park Act.

ARTICLE XV
The City’s Rights to Perform HRPT Covenants

SECTION 15.01. If HRPT at any time defaults on any duty or obligation hereunder and such
default results in a substantial risk to public health or safety or to the environment, the City, after providing HRPT with notice and a thirty (30) day opportunity to cure, may (but shall be under no obligation to) perform such obligation on HRPT’s behalf. If HRPT indicates in writing within twenty (20) days after receiving such written notice that it needs an additional, specified period of time to cure any such default and diligently works to cure such default within such specified period of time, the City may in its discretion accept or deny such request for an extension of time. Performance by the City in any such instance shall not be considered a waiver or release by the City of any obligation of HRPT contained in this Agreement. No notice or opportunity to cure has to be given if the risk is imminent, in which case HRPT shall be informed as soon as practicable of the occurrence and any steps taken to avert or reduce the risk.

SECTION 15.02. All reasonable sums paid by the City and all reasonable costs and expenses, including, without limitation, reasonable attorneys’ fees and disbursements, incurred by the City in connection with its performance of any obligation pursuant to Section 15.01, together with interest thereon at the then-applicable statutory rate from the respective dates of the City’s making of each such payment or incurring each such sum, cost or expense, until the date of actual repayment to the City, shall be paid by HRPT to the City within ten (10) days after the City shall have submitted to HRPT a statement, in reasonable detail, substantiating the amount demanded by the City. Any payment or performance by the City pursuant to Section 15.01 shall not be deemed to be a waiver or release of any breach or default by HRPT with respect thereto or of the right of the City to terminate this Agreement or take such other action as may be permissible hereunder or otherwise provided at law or in equity.

October 22, 2001 rev.
SECTION 15.03. Nothing in this Section XV or elsewhere in this Agreement shall imply any
duty upon the part of the City to do any work required to be performed by HRPT hereunder and
performance of any such work by the City shall not constitute a waiver of HRPT’s default in failing to
perform the same. The City, during the progress of any such work, may keep and store at the
Premises all necessary materials, tools, supplies and equipment. The City shall not be liable for
inconvenience, annoyance, disturbance, loss of business or other damage of HRPT, any Subtenant or
other occupant of the Premises by reason of making such repairs or the performance of any such work,
or on account of bringing materials, tools, supplies and equipment in to the Premises during the course
thereof.

ARTICLE XVI
Default and Early Termination

one or more of the terms, conditions, covenants or agreements contained in this Agreement, provided
that the failure to perform or observe such term remains unremedied for thirty (30) days after the City
sends written notice of such failure to HRPT. If HRPT indicates in writing within thirty (30) days after
receiving written notice that it needs an additional, specified period of time to cure any such default and
diligently works to cure such default within such specified period of time, the City may in its discretion
accept or deny such request for an extension of time. If an extension of time is granted and HRPT fails
to cure such default within such specified period of time, the City may thereafter revoke this Agreement.

SECTION 16.02. Upon the expiration of such thirty (30) days written notice, this Agreement,
the Term, and all rights of HRPT hereunder shall expire and terminate as if the date specified in the notice were the expiration date, and HRPT shall quit and surrender the Premises forthwith. If such termination is stayed by court order, then following the expiration of any such stay, the City, to the extent permitted by law or by leave of the court having jurisdiction over the case, shall have the right, at its election, to terminate this Agreement on twenty (20) day written notice to HRPT. Upon the expiration of such twenty (20) day notice period, this Agreement shall cease and HRPT shall immediately quit and surrender the Premises.

SECTION 16.03. The City shall have the right to terminate this Agreement without notice in the event of dissolution, or any act of bankruptcy or insolvency of, or by HRPT.

SECTION 17.01. HRPT shall keep and maintain at all times full and correct records and books of account of the operations of the Premises in accordance with generally accepted accounting standards and shall accurately record and preserve for a period of six (6) years the record of its operations upon the Premises. Within fifteen (15) days after request by the City, HRPT shall make said records and books of account available from time to time for inspection by the City and the City’s designee during reasonable business hours at a location designated by HRPT in New York City. HRPT shall include a provision in each of its construction agreements which obligates each such contractor to make its records and books of account available to the City or its designee upon the notice and during the hours set forth in this Section 17.01.
