Project/Contract No. M5063
Questions & Answers
March 11, 2019**

PLEASE NOTE: **Question** is presented below in **bold**, with *answer* from the Trust in *italic*.
Similar questions are answered only once.

- 1.) **As far as the rental generator aspect, in case of planned or unplanned power outage as servicing, is that something also needs to be bid on or will that be on a per needed basis?**

No, respondents should not include rental generators in their prices, the rental generator will be on a per-needed basis. However, ability to provide a rental generator is required.
