1. SERVICES TO BE PERFORMED AND WORK PRODUCT

The selected Contractor shall perform all work and services and deliver all of the Services specifically described in and required by the Scope of Services annexed as Appendix B in Part III of the Contract Draft. **Prior to submitting your proposal, please be sure that you review and fully understand the Scope of Services.**

2. COMPENSATION

Subject to and in accordance with the final terms of the Contract, the Trust shall compensate the selected Contractor as follows:

2.1 **In General.** Under the Contract, the Trust will agree to pay to the Contractor an amount not to exceed the Maximum Contract Price to be negotiated between the Trust and the selected Contractor based upon its response to this RFP. The Maximum Contract Price shall be the maximum compensation for all of the Services provided by the Contractor pursuant to the Contract and all expenses of the Contractor in connection therewith, including costs of any Subcontractors. The Maximum Contract Price shall be payable as provided in Article II of the Contract and Appendix C of the Contract.

2.2 **Sales and Use Tax.** The Trust is exempt from state and local sales and use tax. SUCH TAX IS NOT TO BE INCLUDED IN PROPOSALS or in invoices submitted under the Contract. The Trust will provide the selected Contractor with an appropriate “sales and use tax exemption certificate”.

3. GENERAL CONDITIONS, TERMS, LIMITATIONS AND REQUIREMENTS

3.1 **Proposal as Offer to Contract.** Unless a specific exception is noted by the Trust, submission of a proposal in response to this RFP shall constitute an offer on the part of the successful respondent to execute the Contract substantially in the form annexed hereto as Exhibit 8. Any supporting documents or other items attached as exhibits to this RFP shall be incorporated into the Contract. The successful respondent shall cooperate in supplying any information as may be required by the Trust for background clearance, which is available on the PASSPort website at [https://www1.nyc.gov/site/mocs/systems/about-go-to-passport.page](https://www1.nyc.gov/site/mocs/systems/about-go-to-passport.page), and any other government review and approval forms. Respondent’s proposal shall remain open for acceptance by the Trust and shall remain firm and binding upon the respondent for at least sixty (60) days after the date on which the proposals are received by the Trust, except that the Trust may by written notice to the respondent extend that date for an additional forty-five (45) days.

3.2 **Freedom of Information Law.** All proposals submitted to the Trust in response to this RFP may be disclosed in accordance with the standards specified in the Freedom of Information Law, Article 6 of the Public Officers Law of the State of New York (“FOIL”). A respondent may provide in writing, at the time of its submission, a detailed description of the specific information contained in its submission which it has determined is a trade secret and which, if disclosed, would substantially harm such entity’s competitive position. This characterization shall not be determinative, but will be considered by the Trust when evaluating the applicability of any exemptions in response to a FOIL request.
3.3 **Participation by New York State Business Enterprises.** Respondents are strongly encouraged, to the maximum extent practical and consistent with legal requirements, to use responsible and responsive New York State businesses in purchasing commodities that are of equal quality and functionality and in utilizing services and technology. Respondents must therefore demonstrate their commitment to the use of NYS businesses by indicating whether they will use New York State businesses in the performance of the Contract. If Respondents do intend to use NYS businesses, kindly identify those NYS businesses that will be used and attach identifying information.

3.4 **Contractor Requirements and Procedures for Participation for Participation by New York State Certified Minority and Women-Owned Business Enterprises and Equal Employment Opportunities for Minority Group Members and Women.**

3.4.1 **New York State Law:** Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations the Trust is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises ("M/WBEs") and the employment of minority group members and women in the performance of the Trust contracts.

3.4.2 **Business Participation Opportunities for MWBEs:** For purposes of this solicitation, the Trust hereby establishes an overall goal of thirty percent (30%) for MWBE participation. The Contractor must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFP, the respondent agrees that the Trust may withhold payment pursuant to any Contract awarded as a result of this RFP pending receipt of the required M/WBE documentation. The directory of MWBEs can be viewed at: https://ny.newnycontracts.com. For guidance on how the Trust will evaluate a Contractor’s “good faith efforts,” refer to 5 NYCRR § 142.8.

3.4.3 The respondent understands that only sums paid to M/WBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be twenty five percent (25%) of the total value of the contract.

3.4.4 In accordance with 5 NYCRR § 142.13, the respondent further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this RFP, such finding constitutes a breach of contract and the Trust may withhold payment as liquidated damages.

3.4.5 By submitting a bid or proposal, a respondent agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System ("NYSCS"), which can be viewed at https://ny.newnycontracts.com, provided, however, that a respondent may arrange to provide such evidence via a non-electronic method by contacting the Trust.

3.4.6 Additionally, a respondent will be required to submit the following documents and information as evidence of compliance with the foregoing:
A. A Subcontractor Utilization Plan with their proposal. If Respondent’s proposed Subcontractor Utilization Plan provides for less than the stated goal in the RFP, Respondents must also submit an Application for Waiver of MWBE Participation Goals in support of the proposed goal. Any modifications or changes to an accepted Subcontractor Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised Subcontractor Utilization Plan and submitted to the Trust for review and approval. The Trust will review the submitted Subcontractor Utilization Plan and advise the respondent of the Trust acceptance or issue a notice of deficiency within 30 days of receipt.

B. If a notice of deficiency is issued, the respondent will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to the Trust at Pier 40, 353 West Street, 2nd Floor Administration, New York, NY 10014, 212-627-2020, Attn.: General Counsel, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the Trust to be inadequate, the Trust shall notify the respondent and direct the respondent to submit, within five (5) business days of notification from the Trust, additional information to cure the noted deficiency. Failure to cure noted deficiency in a timely manner may be grounds for disqualification of the proposal.

3.4.7 The Trust may disqualify a respondent as being non-responsive under the following circumstances:

a) If a respondent fails to submit an Subcontractor Utilization Plan;

b) If a respondent fails to submit a written remedy to a notice of deficiency;

c) If a respondent fails to submit a request for waiver; or

d) If the Trust determines that the respondent has failed to document good faith efforts.

3.4.8 The successful respondent will be required to attempt to utilize, in good faith, any M/WBE identified within its Subcontractor Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract award may be made at any time during the term of the Contract to the Trust, but must be made no later than prior to the submission of a request for final payment on the Contract.

3.4.9 The successful respondent will be required to submit a monthly Subcontractor Utilization Plan to the Trust.

3.4.10 Equal Employment Opportunity Requirements. By submission of a proposal in response to this solicitation, the respondent agrees with all of the terms and conditions of Appendix A – Standard Clauses for All New York State Contracts including Clause 12 - Equal Employment Opportunities for Minorities and Women OR Authority equivalent to Appendix A. The respondent is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the respondent, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without
discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside of New York State.

3.4.11 If awarded a Contract, respondent shall submit a Workforce Utilization Form EEO-101 and shall require each of its Subcontractors to submit a Workforce Utilization Form EEO-101, in such format as shall be required by the Trust on a monthly basis during the term of the Contract. Further, pursuant to Article 15 of the Executive Law (the “NYS Human Rights Law”), Title 8 of the New York City Administrative Code, and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and subcontractors will not discriminate against any employee or applicant for employment because of actual or perceived age, race, creed, color, national origin, gender identity or expression, sexual orientation, predisposing genetic characteristics; military status, marital status, partnership status, domestic violence victim status, or alienage or citizenship status, and shall also follow the requirements of the NYS Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

3.5 SDVOB Requirements. Contractor Requirements and Procedures for Participation of Service Disabled Veteran-Owned Business.

3.5.1 SDVOB Requirements. The Division of Service-Disabled Veterans' Business Development (“DSDVBD”) is housed within the New York State Office of General Services (“OGS”) and is tasked with promoting and encouraging the continuing economic development of Service-Disabled Veteran-Owned Businesses (“SDVOBs”). Through the DSDVBD, the State of New York aims to assist service-disabled veterans in playing a greater role in the economy of the state and to provide additional assistance and support to disabled veterans to better equip them to form and expand small businesses, thereby enabling them to realize the American dream they fought to protect. The Trust recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of the Trust contracts. See Part I, Section 2.2.8 of this RFP for the SDVOB participation goal applicable to this RFP.

3.5.2 In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Respondents are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

3.5.3 New York State Law. New York State Executive Law Article 17-B governs requirements for the participation of SDVOBs in New York State contracting. The objective of Article 17-B is to expand opportunities for SDVOBs, primarily through increased
participation in New York State contracting. The DSDVBD maintains a Directory of NYS Certified SDVOBs. The directory is updated regularly with the addition of any newly certified SDVOBs or necessary changes requested by the listed SDVOBs or DSDVBD staff. State personnel and other interested parties may contact the DSDVBD and request that they be added to a distribution list to receive the directory and its regular updates via email. The Directory of NYS Certified SDVOBs is also posted on the OGS website.

3.5.4 **Contract Goals.** For purposes of this procurement, the Trust conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Respondents are encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: http://ogs.ny.gov/Core/SDVOBA.asp. Additionally, respondents are encouraged to contact the Office of General Services’ Division of Service-Disabled Veteran’s Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract.”

3.6 **Costs.** The Trust shall not be liable for any cost incurred by the respondent in the preparation of its proposal or for any work or services performed by the respondent prior to the execution and delivery of the Contract. The Trust is not obligated to pay any costs, expenses, damages or losses incurred by any respondent at any time unless the Trust has expressly agreed to do so in writing.

3.7 **The Trust Rights.** This is a “Request for Proposals” and not a “Request for Bids”. The Trust shall be the sole judge of whether a proposal conforms to the requirements of this RFP and of the merits and acceptability of the individual proposals. Notwithstanding anything to the contrary contained herein, the Trust reserves the right to take any of the following actions in connection with this RFP: amend, modify or withdraw this RFP; waive any requirements of this RFP; require supplemental statements and information from any respondents to this RFP; award a contract to as many or as few or none of the respondents as the Trust may select; accept or reject any or all proposals received in response to this RFP; extend the deadline for submission of proposals; negotiate or hold discussions with one or more of the respondents; permit the correction of deficient proposals that do not completely conform with this RFP; waive any conditions or modify any provisions of this RFP with respect to one or more respondents; reject any or all proposals and cancel this RFP, in whole or in part, for any reason or no reason, in the Trust's sole discretion. The Trust may exercise any such rights at any time, without notice to any respondent or other parties and without liability to any respondent or other parties for their costs, expenses or other obligations incurred in the preparation of a proposal or otherwise. All proposals become the property of the Trust.

3.8 **Proposals From Principals.** Only proposals from principals and authorized officers will be considered responsive.

3.9 **Disclaimer.** The Trust and its respective officers, directors, agents, members and employees make no representation or warranty and assume no responsibility for the accuracy of the information set forth in this RFP. Further, the Trust does not warrant or make any representations as to the quality, content, accuracy or completeness of the information, text,
graphics, links or any other facet of this RFP once it has been downloaded or printed from any server, and hereby disclaim any liability for any technical errors or difficulties of any nature that may arise in connection with the Website on which this RFP is posted, or in connection with any other electronic medium utilized by respondents or potential respondents in connection with or otherwise related to the RFP.

DISCLOSURE OF NON-RESPONSIBILITY DETERMINATIONS FORM

(SEPARATE ATTACHMENT)
Disclosure of Prior Non-Responsibility Determinations

Background:

New York State Finance Law §139-k(2) obligates Hudson River Park Trust to obtain specific information regarding prior non-responsibility determinations with respect to State Finance Law §139-j. This information must be collected in addition to the information that is separately obtained pursuant to State Finance Law §163(9). In accordance with State Finance Law §139-k, an Offerer must be asked to disclose whether there has been a finding of non-responsibility made within the previous four (4) years by any Governmental Entity due to: (a) a violation of State Finance Law §139-j or (b) the intentional provision of false or incomplete information to a Governmental Entity. The terms “Offerer” and “Governmental Entity” are defined in State Finance Law § 139-k(1). State Finance Law §139-j sets forth detailed requirements about the restrictions on Contacts during the procurement process. A violation of State Finance Law §139-j includes, but is not limited to, an impermissible Contact during the restricted period (for example, contacting a person or entity other than the designated contact person, when such contact does not fall within one of the exemptions).

As part of its responsibility determination, State Finance Law §139-k(3) mandates consideration of whether an Offerer fails to timely disclose accurate or complete information regarding the above non-responsibility determination. In accordance with law, no Procurement Contract shall be awarded to any Offerer that fails to timely disclose accurate or complete information under this section, unless a finding is made that the award of the Procurement Contract to the Offerer is necessary to protect public property or public health safety, and that the Offerer is the only source capable of supplying the required Article of Procurement within the necessary timeframe. See State Finance Law §§139-j (10)(b) and 139-k(3).
