PART I
INTRODUCTION

1. INTRODUCTION

Located along four miles of Manhattan’s shoreline, Hudson River Park (the “Park”) was created by New York State legislation known as the Hudson River Park Act (“the Act”) in 1998, and is the result of long-term efforts by New York City and New York State to transform the formerly industrial Hudson River waterfront into a network of high-quality public open spaces connected by a pedestrian esplanade. Today, even unfinished, the Park attracts more than 17 million visits each year to its renovated piers and parkland, and to its many cultural, recreational and educational programs.

The Act identified the Park’s boundaries, specified permitted uses on a pier-by-pier basis, established the Park’s operating framework, and created the Hudson River Park Trust (the “Trust”) as a public benefit corporation and 501(c)(3) not-for-profit with the mandate to design, construct, operate and maintain the Park.

Funding for construction has waxed and waned over this period based on the economy. Today, thanks to unprecedented investment from the State and City, the sale of air rights enabled by the State and City, and private philanthropy, it is possible to envision the completion of nearly all the public park areas originally contemplated in the Act within the next four years.

The Trust is currently seeking proposals for a strategic public relations and communications firm to support the Park’s agenda and heighten awareness of its brand and unique story among New Yorkers and NYC visitors. Some assistance with issues management will also be required from time to time.

About Hudson River Park Trust and the Park

The Trust is a unique partnership established between New York State and New York City for the sole purpose of designing, building, operating and maintaining a public park on a mixture of State and City land along approximately four miles of the Hudson River waterfront in Manhattan from just north of Chambers Street to 59th Street. The Trust is governed by a 13-member Board of Directors appointed by the Governor, Mayor and Manhattan Borough President. The State and City Parks Department Commissioners and the Department of Environmental Conservation Commissioner are voting ex officio members of the Board, with each of these agencies owning underlying portions of the Park property.

The Act requires Hudson River Park to be financially self-supporting to the extent practicable. It also establishes the approximately 400 water acres within the Park’s boundaries as an estuarine sanctuary. Within the Park’s boundaries are iconic New York attractions that were in operation before the Park was created, including Circle Line, the Intrepid Museum and Chelsea Piers. Also within the Park are various water dependent municipal uses, such as a marine transfer station operated by the City’s Department of Sanitation, a ferry terminal and a helicopter terminal. These are among the many aspects of the Park that make it unique in New York State.

The Trust generates its operating revenue through a combination of long-term commercial leases on select piers, short term permits consisting primarily of typical parks concessions offering food
and other amenities, fees from ball field use, film shoots and other short duration occupancies, revenue collected from a large public parking garage within the Park at Pier 40, and donations principally from the Trust’s non-profit fundraising partner, Hudson River Park Friends.

Revenue for new construction, known as capital construction, comes principally from New York State and City, though the Park has also benefited from donations as well. Presently, a very large donation from the Diller-Von Furstenberg Family Foundation is enabling the construction of “Little Island,” a public park pier scheduled to open to the public in 2021.

Since the Park was created in 1998, the Trust has transformed four miles of decaying piers and parking lots along the west side of Manhattan into a premier New York City destination for local residents and visitors to NYC. Beyond providing and caring for completed open space, the Trust’s small staff also plays a critical role in protecting and educating about the Hudson River ecosystem, and in creating and offering free public programming ranging from live performances for children and adults to movies with free popcorn and sponsored exercise classes.

**Costs.** The Trust shall not be liable for any cost incurred by the respondent in the preparation of its proposal or for any work or services performed by the respondent prior to the execution and delivery of the Contract. The Trust is not obligated to pay any costs, expenses, damages or losses incurred by any respondent at any time unless the Trust has expressly agreed to do so in writing.

Disclosure of Prior Non-Responsibility Determinations:

Background:

New York State Finance Law §139-k(2) obligates Hudson River Park Trust to obtain specific information regarding prior non-responsibility determinations with respect to State Finance Law §139-j. This information must be collected in addition to the information that is separately obtained pursuant to State Finance Law §163(9). In accordance with State Finance Law §139-k, an Offerer must be asked to disclose whether there has been a finding of non-responsibility made within the previous four (4) years by any Governmental Entity due to: (a) a violation of State Finance Law §139-j or (b) the intentional provision of false or incomplete information to a Governmental Entity. The terms “Offerer” and “Governmental Entity” are defined in State Finance Law § 139-k(1). State Finance Law §139-j sets forth detailed requirements about the restrictions on Contacts during the procurement process. A violation of State Finance Law §139-j includes, but is not limited to, an impermissible Contact during the restricted period (for example, contacting a person or entity other than the designated contact person, when such contact does not fall within one of the exemptions).

As part of its responsibility determination, State Finance Law §139-k(3) mandates consideration of whether an Offerer fails to timely disclose accurate or complete information regarding the above non-responsibility determination. In accordance with law, no Procurement Contract shall be awarded to any Offerer that fails to timely disclose accurate or complete information under this section, unless a finding is made that the award of the Procurement Contract to the Offerer is necessary to protect public property or public health safety, and that the Offerer is the only source capable of supplying the required Article of Procurement within the necessary timeframe. See State Finance Law §§139-j (10)(b) and 139-k(3).

M/WBE AND SDVOB
I. **Contractor Requirements and Procedures for Participation for Participation by New York State Certified Minority and Women-Owned Business Enterprises and Equal Employment Opportunities for Minority Group Members and Women.**

New York State Law: Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations, the Trust is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises (“M/WBEs”) and the employment of minority group members and women in the performance of the Trust contracts.

**Business Participation Opportunities for M/WBEs.** For purposes of this Contract, the Trust conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by M/WBEs as subcontractors, service providers, and suppliers to the Consultant. Nevertheless, Respondents are encouraged to make good faith efforts to promote and assist in the participation of M/WBEs on the Contract for the provision of services and materials. The directory of New York State Certified M/WBEs can be found at https://ny.newnycontracts.com.

Additionally, respondents are encouraged to contact the Division of Minority and Women’s Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by M/WBEs on the Contract.

II. **SDVOB Requirements. Contractor Requirements and Procedures for Participation of Service Disabled Veteran-Owned Business.**

**SDVOB Requirements.** The Division of Service-Disabled Veterans' Business Development (“DSDVBD”) is housed within the New York State Office of General Services (“OGS”) and is tasked with promoting and encouraging the continuing economic development of Service-Disabled Veteran-Owned Businesses (“SDVOBs”). Through the DSDVBD, the State of New York aims to assist service-disabled veterans in playing a greater role in the economy of the state and to provide additional assistance and support to disabled veterans to better equip them to form and expand small businesses, thereby enabling them to realize the American dream they fought to protect. The Trust recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of the Trust contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Respondents are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

**New York State Law.** New York State Executive Law Article 17-B governs requirements for the participation of SDVOBs in New York State contracting. The objective of Article 17-B is to expand opportunities for SDVOBs, primarily through increased participation in New York State contracting. The DSDVBD maintains a Directory of NYS Certified SDVOBs. The directory is updated regularly with the addition of any newly certified SDVOBs or necessary changes requested by the listed SDVOBs or DSDVBD staff. State personnel and other interested parties may contact the DSDVBD and request they be added to a distribution list to receive the directory.
and its regular updates via email. The Directory of NYS Certified SDVOBs is also posted on the OGS website.

**Contract Goals.** For purposes of this procurement, the Trust conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Consultant. Nevertheless, Respondents are encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: http://ogs.ny.gov/Core/SDVOBA.asp. Additionally, respondents are encouraged to contact the Office of General Services’ Division of Service-Disabled Veteran’s Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract.

GENERAL TERMS AND CONDITIONS

ARTICLE I
PERFORMANCE OF SERVICES

1. **Supervision by the Trust.** Services shall be subject to the general supervision and direction of the Trust or its authorized representative, whose decision shall be final and binding upon the Consultant as to all matters arising in connection with or relating to the Contract. Neither the Trust’s exercise nor failure to exercise such supervision and direction shall relieve the Consultant of any of its obligations or responsibilities for its acts or failure to act with regards to the Contract. The Trust shall reasonably determine all matters relative to the fulfillment of the Contract on the part of the Consultant and such determination shall be final and binding on the Consultant.

2. **Approvals or Acceptance by the Trust.** Whenever action is to be taken, or approval or acceptance given by the Trust, such action, approval or acceptance shall be deemed to have been taken or given, only if so taken or given by the Trust’s representative, by the official of the Trust who signed the Contract on behalf of the Trust, or by another officer or employee of the Trust duly designated by such signing officer to represent the Trust in connection therewith. The Trust shall notify the Consultant in writing of the giving or withholding of each such approval or acceptance within a reasonable period of time. The Trust’s acceptance or approval of documents or other materials prepared by the Consultant hereunder shall in no way relieve the Consultant of responsibility for such materials.

3. **Consultant Cooperation.** The Consultant shall work with and exchange information with such entities or individuals in connection with the Services as the Trust shall designate from time to time, and agrees to meet with such entities or individuals at such times as the Trust may require in order to maintain an ongoing review process to expedite determinations and approvals required to be made in connection with the Services.

4. **Contact Persons.** The Trust will designate in writing an individual who will serve as the Trust’s representative and normal point of contact for the Consultant with regards to the Contract and the Consultant’s Services and obligations hereunder. The Consultant shall designate in writing to the Trust one individual, satisfactory to the Trust, who shall be responsible for coordinating all Services to be rendered by the Consultant and who shall be the Trust’s normal point of contact with the Consultant on matters relating to such Services. Such individual shall be replaced upon the Trust’s written request. The Trust and Consultant may from time to time change this designation by notification to the other party.

5. **Approval of Subcontractors and Subcontracts.** The Consultant shall not employ, contract with or use the services of any consultant, contractor, or other third party (collectively “Subcontractor(s)”) in connection with the performance of its obligations under the Contract without the prior written consent of the Trust. The Consultant shall inform the Trust in writing of the name, proposed service to be rendered, and compensation of the Subcontractors, and of any interest it may have in the proposed Subcontractors. The Consultant shall be responsible for the performance of the Services of any Subcontractors engaged, including the maintenance of budgets, cost controls, and schedules, coordination of their work and resolutions of all differences between or among the Consultant and Subcontractors. It is expressly understood and agreed that all Subcontractors engaged by Consultant hereunder shall at all times be deemed engaged by the Consultant and not by the Trust. The Consultant shall cause any Subcontractor employed by the Consultant in connection with the Contract
to be bound to the terms and conditions of the Contract to the extent such terms and conditions are, or may be, applicable to such Subcontractors. All subcontracts held by the Consultant (“Subcontracts”) must include the following provisions:

(a) there is no privity of contract between the Subcontractor and the Trust;

(b) the Trust will not incur any liability by virtue of any act, omission, negligence, or obligation of the Subcontractor or the Consultant;

(c) the Subcontractor shall indemnify, defend and hold harmless the Indemnities (defined in Article V) against any and all claims, judgments or liabilities to which they may be subject (including, without limitation, any and all claims for injuries to persons (including death) and damage to property) because of any negligence or any fault or default of the Subcontractor, its agents, employees or subcontractors or the breach of the Subcontractor’s obligations under the Subcontract;

(d) the Subcontractor’s payment requisitions shall conform to the same requirements for Consultant’s payment requisitions and include the representations and warranties set forth in Article III hereof;

(e) the termination provisions for cause and convenience set forth in Article IV herein shall be included in the Subcontract;

(f) the Subcontract may be assigned without the written consent of the Subcontractor to the Trust or any other corporation, agency or instrumentality having authority to accept the assignment; and

(g) all services performed under the Subcontract shall strictly comply with the requirements of the Contract.

If the Consultant fails to include the provisions set forth in this Subsection 5 in any Subcontract, the Consultant hereby agrees to indemnify, defend and hold harmless the Trust and their representatives against any and all claims, damages, awards, judgments, liabilities, expenses, fines, penalties, costs and/or fees incurred by or imposed upon the Trust and their representatives, including reasonable attorney fees, as a result of said failure.

6. **Consultant as Independent Contractor.** Notwithstanding any other provisions of the Contract, the Consultant’s status (and that of any Subcontractor) shall be that of an independent contractor and not that of an agent or employee of the Trust. Accordingly, neither the Consultant nor any Subcontractor shall hold itself out as, or claim to be acting in the capacity of, an employee or agent of the Trust.

7. **Consultant to Obtain Permits.** Except as otherwise instructed in writing by the Trust, the Consultant shall obtain and comply with all legally required licenses, consents, approvals, orders, authorizations, permits, restrictions, declarations and filings required to be obtained by the Trust or the Consultant in connection with the Contract.

8. **Consultant to Comply with Legal Requirements.** The Consultant, in performing its obligations and in preparing all documents required under the Contract, shall comply with all applicable laws and regulations to be included in the Contract. All applicable laws and regulations shall be deemed to be included in the Contract with the same effect as if set forth in full.
9. **Increase or Decrease in the Scope of Services.** The Trust shall have the right to make changes to, and/or increase or decrease the Scope of the Services or to extend the Term at any time and for any reason upon notice to Consultant specifying the nature and extent of such changes. In the event any such changes result in a reduction of the scope of services, the Maximum Contract Price will be correspondingly reduced to reflect the deleted services. In the event any such changes result in an additional expenditure of time by the Consultant or Subcontractors, the Trust and the Consultant shall negotiate an additional fee for such changes evidenced in an amendment to the Contract.

**ARTICLE II**

**PAYMENT OF SERVICES**

1. **Payments.**

   (a) Subject to, and in accordance with this Article II, the Trust shall pay to the Consultant, and the Consultant agrees to accept in full consideration for the Services, and for all expenses of the Consultant in connection therewith, including Subcontractors’ costs and reimbursable expenses, an amount not to exceed the Maximum Contract Price, payable in accordance with this Article II and as provided in Appendix C.

   (b) Requisitions shall be in a form reasonably acceptable to the Trust and shall be supported by any appropriate or necessary documentation or other evidence relating to the amounts set forth in the requisition as the Trust may reasonably require, including, but not limited to invoices, receipts and vouchers from Subcontractors and suppliers, information related to M/WBEs, SDVOBs and Workforce Utilization Forms required under Appendix E and, where applicable, the time sheets and/or certified payroll reports of the Consultant’s staff. Each requisition submitted to the Trust by the Consultant shall constitute a representation that, except as specifically set forth in the requisition, as of the date of the requisition, all representations and warranties made by the Consultant in Article III are true, complete and accurate as if made as of the date of the submission of the requisition. Thereafter, the Trust shall approve the requisition if the Services have been satisfactorily performed in accordance with the Contract.

   (c) The Consultant, with the Trust’s prior approval, may exceed the maximum payment allocated to a particular portion of the Services if the Consultant by notice determines that the maximum payment initially allocated to the portion is insufficient to adequately perform the portion of the Services and if the Consultant demonstrates to the Trust a savings with respect to another portion of the Services which is at least equal to the amount of such excess. However, notwithstanding the above, in no event shall the Trust pay the Consultant more than the Maximum Contract Price.

2. **Acceptance of Final Payment/Release and Discharge.** The acceptance by Consultant of the final payment under the Contract, or any final payment due on earlier termination of the Contract under Article IV, shall constitute a full and complete waiver and release of the Trust from any and all claims, demands and causes of action whatsoever that the Consultant, and/or its successors and assigns, have, or may have, against the Trust under the provisions of the Contract, unless a detailed and verified statement of claim is served upon the Trust not later than fifteen (15) days after the making of the final payment. In the absence of a verified statement of claim, if the Consultant performs Services that involve maintenance, repairs or minor construction, the Consultant must supply the Trust with lien waivers for itself and its Subcontractors along with its request for final payment. It is expressly understood and agreed that the Trust’s or Consultant’s termination of the Contract pursuant to Article IV hereof shall not give rise to any claims against the Trust for damages, compensation, or otherwise as a result of such termination, and that under such circumstances, the
Trust’s liability to make payments to Consultant on account of any and all Services shall be limited to the payments set forth in this Article II and as provided in Appendix C.

ARTICLE III
REPRESENTATIONS AND WARRANTIES

1. Representations and Warranties.

(a) The Consultant represents and warrants to the Trust that:

(i) no public official is directly or indirectly interested in the Contract, or in the supplies, materials, equipment, work, labor or Services to which it relates or in any of the profits thereof;
(ii) except as set forth in the Contract, the Consultant has, and shall have, no interest, direct or indirect, in the project to which the Services relate;
(iii) to the best of its knowledge, upon due inquiry, no officer, member, partner or employee of the Consultant has, prior to the date of the Contract, been called before a grand jury, head of a state agency, head of a city department or other city agency to testify in an investigation concerning any transaction or contract had with the State of New York, any political subdivision thereof, a public authority, or with any public department, agency or official of the State of New York of or any political subdivision thereof and refused to sign a waiver of immunity against subsequent criminal prosecution or to answer any relevant question concerning such transaction or contract; and
(iv) it has not employed any person, trust or partnership to solicit or procure the Contract, and has not made, and will not make, any payment or agreement for the payment of any commission, percentage, brokerage, or contingent fee, or other compensation in connection with the procurement of the Contract.

(b) The Consultant represents and agrees that:

(i) recognizing that time for completion of the Services is of the essence, the Consultant shall perform all of its obligations hereunder in a prompt, efficient and professional and/or workman like manner with the skill and care of similarly licensed professionals and in accordance with the time periods for the Services set forth herein;
(ii) The Consultant, its personnel assigned to perform the Services, and any Subcontractors engaged by the Consultant in the performance of the Consultant’s obligations hereunder are qualified in all respects for such assignment and have the experience and expertise in projects of similar scope and complexity to the Services. All such assigned personnel and Subcontractors are subject to approval by the Trust, which approval shall not be unreasonably withheld, and the Trust may direct the Consultant to replace assigned personnel at any time; the Consultant’s personnel assigned to perform the Services shall be available to the Trust during normal working hours and at other times as may be additionally needed upon notice from the Trust for project meetings, public meetings, site supervision, field visits and inspections;
(iii) The Consultant, in the performance of its obligations hereunder, shall utilize efficient available methodology and technology for the purpose of reducing the cost and time of such performance;
(iv) The Consultant shall use good faith efforts to protect and further the Trust’s interests in performing such Services recognizing the need for trust and confidence in the relationship between the Consultant and the Trust with regards to the Services to be performed hereunder;
(v) The Consultant shall comply with the provisions of all Federal, State and local statutes, laws, rules, ordinances and regulations that are applicable to the performance of the Contract;
(vi) The Consultant shall diligently render to the Trust any and all assistance which may be required by the Trust should any claim be made or any action be brought against the Trust which states a cause of action related to the Services; and
(vii) The Consultant shall not commit its personnel to, nor engage in, any other projects during the term of the Contract to the extent that such projects may adversely affect the quality or efficiency of the Services or would otherwise be detrimental to the conduct and completion of the Services, and the Consultant shall provide sufficient numbers of qualified personnel as shall be required to perform the Services in the time requested by the Trust.

2. **Conflict of Interest.** Consultant represents and warrants that:

(a) Consultant has not now, and will not, for a period of one (1) year following expiration of the Contract, acquire any interest, direct or indirect, present or prospective, in the project to which the Consultant’s work relates or the real estate which is the subject of the project, has not employed and will not knowingly employ in connection with work to be performed hereunder any person or entity having any such interest during the Term of the Contract.

(b) Consultant shall not knowingly permit any officer, employee, agent or director of the Trust or any of its subsidiaries to share in any benefits that arise from the Consultant’s work.

(c) Consultant shall not knowingly permit any officer, employee, agent or director of the Trust, or any of its subsidiaries to participate in any decision relating to the Contract that affects the personal interest of the aforementioned individuals, or the interests of any Trust, partnership, or association in which those individuals are directly or indirectly interested; nor shall any officer, agent, director or employee of the Trust, or any of its subsidiaries be permitted by the Consultant to have any interest, direct or indirect, in the Contract or the proceedings thereof.

(d) Consultant shall cause, for the benefit of the Trust, every contract or agreement with any Subcontractor to include the representations contained in subsections (a), (b), and (c) of this Subsection 2. The Consultant shall take such action in enforcing such provisions as the Trust may direct, or, at Consultant’s option, assign such rights as it may have to the Trust for enforcement by the Trust.

**ARTICLE IV**

**DELAYS, SUSPENSION OF SERVICES, TERMINATION**

1. **Notice of Overruns and Delays.** The Consultant shall promptly give written notice to the Trust representative of the occurrence of an event or action, the discovery of a condition or the failure of an event or action to occur or a condition to exist as anticipated, that may result in an increase in (a) the compensation due Consultant; (b) reimbursable expenses and/or; (c) the number of hours necessary to perform the work or which may delay completion of the work (or extend the completion date). For purposes of this provision, “promptly” shall mean as soon as possible but in no event more than (3) business days after Consultant’s discovery of the occurrence, condition or failure which gives rise to the subject increase and/or delay.
2. **Disputes.** If at any time the Consultant believes that there is: (1) a condition that will entitle it to additional compensation; (2) a change in the schedule for completion of the Services; or (3) another issue arising out of terms, conditions, or the respective parties’ fulfillment of their obligations under the Contract (“Dispute”), within fifteen (15) days after the Consultant has knowledge or should have known of the occurrence of a Dispute, the Consultant shall deliver a written notice to the Trust stating the general nature of such Dispute. Senior executives of the parties shall negotiate in good faith to resolve any Disputes. Pending the resolution of any Dispute, the Consultant shall diligently continue to perform all Services under the Contract, including the Services that are the subject of such Dispute. Written notification and good faith negotiation shall be a condition precedent to the maintenance of any legal proceeding. The Consultant shall represent that it has complied with the condition precedent in its initial notice and pleading in any legal proceeding instituted by the Consultant or by the Trust.

3. **Suspension of Services.** The Trust may, at any time and for any reason and by written notice thereby (“Suspension Notice”), direct the Consultant to delay or suspend the services or any part thereof under the Contract for a period of time not to exceed ninety (90) days. The Suspension Notice shall specify the period during which such services are to be delayed or suspended. The Contract shall automatically terminate after ninety (90) days’ suspension or delay unless the Trust and the Consultant agree in writing to continue the Contract upon the same or newly negotiated terms, and the Trust and the Consultant execute a “Release of Claims” with regards to the period of suspension or delay. The Consultant shall resume such services upon the date the Trust may thereafter specify in writing upon reasonable notice to Consultant. If the Contract is delayed, suspended or terminated, the Consultant shall be entitled upon such delay, suspension or termination to payment of that portion of the fee and reimbursable costs that have not been paid to Consultant commensurate with the Services actually and satisfactorily performed by the Consultant prior to the date of delay, suspension or termination. The Consultant shall not be entitled to any fee during the period of delay or suspension unless the Trust, in its sole and absolute discretion, decides that the payment (and amount) of a fee is reasonable under the particular circumstances that gave rise to the suspension or delay.

4. **Termination for Convenience.** The parties acknowledge that the Trust may, at any time for the Trust’s convenience and without cause, terminate the Contract without incurring any penalty or damages on account of such termination upon seven (7) days’ written notice to the Consultant. In the event of such termination, the Trust shall pay the Consultant for services actually and satisfactorily performed by the Consultant prior to the date of delay, suspension or termination. The Consultant agrees to cause any agreement or contract entered into by the Consultant with any Subcontractors to contain a termination for convenience clause consistent with the provisions of this Subsection 4.

5. **Default by Consultant.** The Trust may terminate the Contract for cause, including:

   (a) a material breach of any covenant or agreement contained in the Contract;
   (b) if the Consultant shall default in the timely performance of any of its obligations under the Contract and such default shall continue for a period of three (3) days after written notice from the Trust specifying the occurrence, omission or failure giving rise to such default, or if in the opinion of the Trust, by reason of the nature of such default, such default cannot be cured within such three (3) day period and the Consultant has not promptly prosecuted the curing of such default;
   (c) any representation or warranty made or deemed to have been made under the Contract by the Consultant shall prove to be untrue in any material respect; or
   (d) the Consultant shall make a general assignment for the benefit of its creditors, or a receiver or trustee shall have been appointed on account of Consultant’s insolvency, or Consultant
otherwise shall be or become insolvent, or an order for relief shall have been entered against Consultant under Chapter 7 or Chapter 11 of Title 11 of the United States Bankruptcy Code.

In addition to any other remedies or claims that the Trust may have with respect to such representation or such default, the Trust may terminate the Contract immediately upon three (3) days’ written notice to the Consultant. In the event of such termination, the Trust, without waiving any such remedy or claims, (including consequential damages) shall pay the Consultant that portion of the fee and reimbursable costs, not paid to the Consultant, commensurate with those Services actually and satisfactorily performed by the Consultant up to the date of such termination, provided, however, that the Trust shall deduct from any amounts due to the Consultant for additional costs and expenses that the Trust may incur in connection with the completion of the Services by another contractor(s) or consultant(s).

The Consultant agrees to cause any agreement or contract entered into by the Consultant with any Subcontractors to contain a termination for default clause consistent with the provisions of this Subsection 5.

6. **Discontinuance of Services Upon Termination.** Upon termination of the Contract the Consultant shall:

   (a) discontinue all its Services from and after the date of the notice of termination, except as may be required to complete any item or portion of services to a point where discontinuance will not cause unnecessary waste or duplicative work or cost as directed by the Trust;

   (b) cancel, or if so directed by the Trust, assign to the Trust any and all commitments and agreements made by the Consultant relating to the Services to the extent same are cancelable or assignable by the Consultant.

   (c) transfer to the Trust in the manner, to the extent, and at the time directed by the Trust, all supplies, materials and other property produced (including warranties) as a part of, or acquired in, the performance of the Services; and

   (d) take any other actions as the Trust may reasonably direct.

**ARTICLE V INDEMNIFICATION AND INSURANCE**

1. **Indemnification.** Notwithstanding anything to the contrary contained herein, the Consultant shall be responsible for all injuries to persons, including death, or damage to property sustained while performing or resulting from the Services under the Contract, if and to the extent the same results from any act, omission, negligence, fault or default of Consultant or Subcontractors, or their employees, agents, servants, independent contractors or subcontractors retained by Consultant pursuant to the Contract. Consultant agrees to defend, indemnify and hold the Trust, the State of New York, the New York State Office of Parks, Recreation and Historic Preservation, the New York State Department of Environmental Conservation, the City of New York, the New York City Department of Parks and Recreation and each of their respective commissioners, directors, officers, agents and employees (collectively the “Indemnitees”) harmless from any and all claims, judgments and liabilities, including but not limited to claims, judgments and liabilities for injuries to persons (including death) and damage to property if and to the extent the same results from any act, omission, negligence, fault or default of Consultant or its Subcontractors, or their agents, employees, servants, independent contractors and subcontractors and from any claims against, or liability incurred by the
Indemnities by reason of claims against Consultant or its Subcontractors, or their employees, agents, servants, independent contractors and subcontractors for any matter whatsoever in connection with the Services performed under the Contract, including, but not limited to, claims for compensation, injury or death, and agree to reimburse the Indemnities for reasonable attorney’s fees incurred in connection with the above. Consultant shall be solely responsible for the safety and protection of all its Subcontractors, or the employees, agents, servants, independent contractors, or subcontractors of Consultant or its Subcontractors, and shall assume all liability for injuries, including death, that may occur to said persons due to the negligence, fault or default of Consultant, its Subcontractors, or their respective agents, employees, servants, independent contractors or subcontractors. To the maximum extent permitted by law, the defense and indemnity set forth in herein includes all liability, damages, loss, claims, subrogation efforts, demands and actions on account of personal injury, bodily injury (including injury to Contractor's employees) including death or property or economic loss (other than the Work itself) to any Indemnitee, any of the Indemnitees' employees, agents, licensees or invitees, or to any other persons or property, whether based upon, or claimed to be based upon, statutory (including Worker's Compensation), contractual, tort or other liability of Indemnitee.

This Subsection 1 shall survive the expiration or earlier termination of the Contract.

2. **Insurance.** At all times during the performance of the Services or for such other time periods as the Trust may require, the Consultant, at its sole cost and expense, shall purchase and maintain the insurance described in Appendix D unless the Trust determines, in its sole and absolute discretion, that such insurance limits warrant a reduction due to a material change in the Project or the Services.

**ARTICLE VI**

**DOCUMENTS, CONFIDENTIALITY AND RECORDS**

1. **Ownership of Documents.**

   (a) All originals, negatives, and electronic copies of all plans, drawings, reports, photograph, charts, programs, models, specimens, specifications, and other documents or materials required to be furnished by the Consultant under the Contract including drafts and reproduction copies thereof (“Documents”), shall be and remain the exclusive property of the Trust, and the Trust shall have the right to publish, transfer, sell, license and use all or any part of such reports, plans, drawings, specification and other documents without payment of any additional royalty, charge or other compensation to the Consultant. If the Documents are altered by the Trust or its agents, the Trust holds the Consultant harmless from any liability for such use.

   (b) The Consultant agrees that it shall not publish, transfer, license or, except in connection with carrying out its obligations under the Contract, use or reuse all or any part of the Documents, excluding the Consultant’s “Underlying Intellectual Property” (as defined hereinafter), without the prior written approval of the Trust, except that the Consultant may retain copies of such reports and other documents for general reference use.

   (c) The Consultant’s Underlying Intellectual Property means the analytical concepts, approaches, methodologies, or formats developed by the Consultant’s staff, and other materials not prepared for delivery to the Trust and also includes any derivatives, improvements, enhancements or extensions of the Consultant’s Underlying Intellectual Property conceived, reduced to practice, or developed during the Term of the Contract that are not uniquely applicable to the Documents prepared for the Trust under the Contract.
(d) The Consultant represents and warrants that, except for material which is in the public domain and non-original material, the Documents:

(i) shall be wholly original material not published elsewhere, except for Underlying Intellectual Property included therein;
(ii) shall not violate any copyright, trademark or other applicable law; and
(iii) shall not, to the best of Consultant’s knowledge, constitute a defamation or invasion of the right of privacy or publicity, or an infringement of any kind, of any rights of any third party.

(e) The Consultant shall not make any unauthorized use of copyrighted, trademarked or other protected materials or intellectual property and agrees to defend, indemnify and hold harmless the Trust and their respective officers, officials, agents, members, directors, and employees against any damage or liability arising out of the Consultant’s infringement or unauthorized use of any such material or property.

2. **Confidentiality.** The Consultant hereby agrees that all documents, data, recommendations, reports and other materials developed in the course of the Services authorized by the Contract are strictly confidential between the Consultant and the Trust and the Consultant may not at any time reveal or disclose such materials in whole or in part to any third party without first obtaining written permission from the Trust. Notwithstanding the preceding sentence, the Consultant shall cooperate fully with such third parties as the Trust may designate by written request.

3. **Maintenance, Audit and Examination of Records.** Pursuant to Section 10 of the Standard Clauses for NYS Contracts (attached hereto as Appendix A), the Consultant and its Subcontractors must maintain their respective books and records for examination and audit as specifically detailed therein. In the event of non-compliance thereof, the Trust shall not pay the Consultant any portion of the fee then due or becoming due, as the case may be, with respect to such non-compliance, and if such fee has already been paid, the Trust may require the Consultant to refund such fee. In addition, the Consultant shall be responsible for any audit costs incurred by the Trust as a result of such non-compliance.

4. **PASSPort (formerly, VENDEX).** The Consultant shall provide the Trust with a list of all Subcontractors employed for the performance of the Services whose subcontract amount totals $25,000 or more. The Consultant will furnish each such Subcontractor whose subcontract amount totals $250,000 or more with the information for creating an account on and submitting information through the Mayor’s Office of Contracts Services Procurement and Sourcing Solutions Portal (PASSPort). The Consultant shall cause each such Subcontractor to complete the required PASSPort background and disclosure submissions in a timely fashion but in no event later than the commencement of the Services performed by such Subcontractor pursuant to its subcontract.

**ARTICLE VII**
**OTHER STANDARD PROVISIONS**

1. **No Waiver.** Failure by the Trust to insist upon the strict performance of any term or condition of the Contract or to exercise any right or remedy consequent upon a breach thereof, and no acceptance of full or partial performance during the continuance of any such breach shall constitute a waiver of any such breach or such term or condition. No term or condition of the Contract to be performed or complied with by Consultant, and no breach thereof, shall be waived, altered or modified except by a written instrument executed by the Trust. No waiver of any breach shall affect or alter the Contract, but each and every term and condition of the Contract shall continue in full force and effect with
respect to any other then existing or subsequent breach thereof. Consultant hereby waives any and all rights and remedies to which Consultant might otherwise be or become entitled to because of any wrongful act or omission of the Trust saving only Consultant’s right to money damages.

2. **Provisions Required by Law Deemed Inserted.** Each and every provision of law and governmental regulation required by law to be inserted in the Contract shall be deemed to be inserted therein and the Contract shall read and enforced as though so included therein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party, the Contract shall be deemed to be amended to make such insertion or correction. If the Contract contains any unlawful provision, the same shall be deemed of no effect and shall, upon the application of either party, be deemed stricken from the Contract without affecting the binding force of the remainder.

3. **Reimbursement of Legal Fees.** In the event that Consultant and the Trust are involved in a legal proceeding relating to any part of the Contract, Consultant shall reimburse the Trust for all costs associated with said legal proceeding, including, but not limited to, court costs and reasonable attorney’s fees incurred by the Trust where: (1) during said legal proceeding, a final determination by a neutral third party finds the Consultant to have materially breached the terms of the Contract; or (2) Consultant initiates said legal proceedings against the Trust and/or its directors, officers, or employees and Consultant does not prevail in such action.

4. **Assignment by the Trust.** The Trust may transfer and assign any and all of its rights and obligations under the Contract, including transferring and assigning its rights to the Consultant’s performance of any portion of the Services provided for herein, together with the Trust’s obligations and rights pertaining to such portion of Services, to any partnership, trust, governmental agency or department or other entity that the Trust determines has undertaken or will undertake any part of the Contract. The Trust shall provide the Consultant written notice of any such transfer and assignment. Such transfer and assignment shall relieve the Trust of any further liability or obligation hereunder.

5. **Entire Agreement/Amendment.** The Contract constitutes the entire agreement between the parties hereto and no statement, promise, condition, understanding, inducement, or representation, oral or written, express or implied, which is not contained in the Contract shall be binding or valid and the Contract shall not be changed, modified or altered in any manner except by an instrument in writing executed by the parties hereto.

6. **Interests of Others.** Nothing in the Contract shall be construed to give any person other than the Trust and Consultant any legal or equitable right, remedy or claim. The Contract shall be held to be for the sole and exclusive benefit of the Trust and Consultant.

7. **Modification.** No change, termination or attempted waiver of any of the provisions of the Contract shall be binding unless evidenced in a writing signed by both parties.

8. **Severability.** If any term or provision of the Contract or the application thereof to any person or in any circumstance shall to any extent be determined to be invalid or unenforceable, the remaining provisions of the Contract, or the application of such terms or provisions to persons or circumstances other than those as to which it is found to be invalid or unenforceable, shall in no way be affected thereby, and each term and provision of the Contract shall be valid and binding upon the parties, and enforced to the fullest extent permitted by law.

9. **Counterparts and Captions.** The Contract may be executed in one or more counterparts, each of which shall be deemed to be an original. Captions contained in the Contract are inserted only as a
matter of convenience and shall not affect the construction or interpretation of any of the provisions hereof.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State’s previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the assignment is due to a reorganization, merger or consolidation of the Contractor’s business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State’s prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER’S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds $50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. andC.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds $25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller’s approval of contracts let by the Office of General Services is required when such contracts exceed $85,000 (State Finance Law § 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS’ COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers’ Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of $50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-
a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds $5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has, participates, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. 25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.
To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

APPENDIX B
SCOPE OF SERVICES

Background

The next several years will bring numerous opportunities for Hudson River Park to increase its name recognition and enhance its identity and reputation.

- In Summer 2020, Pier 26, a new public park pier in Tribeca with an ecological theme will open for public recreation and enjoyment. Pier 26 has been designed with unique environmental features including a “tide deck” at the western end, indigenous plantings that reference the historical Hudson River landscape, and multipurpose stepped seating that can support outdoor learning opportunities. A sports court and sunning lawn are also included.

- The Whitney Museum of American Art is in the midst of installing Days End, a large new public sculpture located on the south side of the Gansevoort Peninsula conceived by the celebrated artist David Hammonds. The sculpture is funded privately and is being donated to Hudson River Park. It is expected to open in Fall 2020.

- In 2021, Little Island, an innovative 2.7-acre public pier featuring a 750-seat outdoor amphitheater, informal performance areas, lawns, gardens and a public plaza, will open. The pier will feature more than 100 species of plants and trees, and meandering paths that will stretch as high as 62 feet, allowing for spectacular harbor views. In addition to providing unique public parkland for all to enjoy, Pier55 will also become one of NYC’s premier outdoor venues for cultural programming, the majority of which will be free and low-cost. The vast majority of the construction costs are being funded by the Diller/Von Furstenberg Family Foundation.

- Also opening in 2021 will be Pier 57, a mixed use historic building that will host Google as the master subtenant, but that will also include a public food market, a public rooftop park, a technology focused environmental education classroom operated by the Trust staff, and a public “living room” where people will be able to relax and enjoy the Hudson River views indoors.

- In 2022, the Trust will also open two additional public open park areas: the Gansevoort Peninsula and Pier 97. Both projects have wide community support for their designs, which are in progress.

- The Trust also expects to implement a number of environmental enhancement and restoration activities over the next several years, including efforts to promote oysters and other priorities of Governor Cuomo and consistent with goals in the Park’s Estuarine Sanctuary Management Plan.

In addition to these projects, the Trust expects to advance design for the area between 29th to 44th Streets which is currently incomplete. Also, the Trust continues to work with the Governor, the
Mayor, local elected officials and the local community boards on advancing two separate projects—Pier 40 and Pier 76. Along with several other piers with commercial uses, both piers are identified in the Hudson River Park Act as “park/commercial piers.” As such, they have long been intended as public-private partnerships that would generate revenue to help support the overall Park’s care while still adding significant public open space to the Greenwich Village and Hell’s Kitchen neighborhoods, respectively. Since the Act intends for the Park to be financially self-sustaining to the extent practicable, redevelopment of these two piers, including both their recreational and commercial components, is the final, most substantive challenge to the Park’s initial development phase and long term sustainability.

Beyond planning and construction issues, the Trust expects to continue offering a wide range of free and low cost public programs and environmental education events and initiatives. Each year hundreds of thousands of New Yorkers and visitors come to the Park for cultural and educational programs. Hudson River Park’s education programs reach more than 10,000 NYC students per year from all five boroughs. Students are exposed to hands-on learning, and lessons often align with the Park’s eight ongoing research projects. Park programs have been featured in publications including the New Yorker, NY Times, Time Out NY, radio / TV spots have included GMA, Today Show, WBGO and WNYC, among others.

Finally, the Trust will launch a new website in late spring or early summer 2020 which is another opportunity to generate press and engage the public.

Scope of Services:

Overall, the Trust seeks to strengthen Hudson River Park’s name recognition and increase awareness of the Park’s unique identity, successes and challenges. The selected firm will assist the Trust with press and media relations, Park positioning and promotion, and strategy, and will work with the Trust to achieve this goal in a manner that:

- Educates the public about the Park, its myriad public assets and programs, the important role it plays in the lives of West Side residents, and its unique funding needs;
- Positions the Park brand to reflect a modern and inclusive sensibility;
- Drives affinity and allegiance among park users – particularly among nearby residents – and encourages them to take an active role in the care of the park and enhances the appeal of being a Park volunteer, sponsor or Park supporter/donor;
- Reinforces the Park brand and strengthens its identity as a unique place, different from a typical City or State Park; and
- Ensures that Park messaging is coordinated, when appropriate, with Trust funding and governmental partners while maintaining the Park’s voice and identity.

Achieving these goals will require developing a strong understanding of the overall Park, including its multiple operating functions: design, programming, education, business, real estate, horticulture, safety, etc.

The specific scope of services shall include:
**Media Relations and Issues Management**

- Develop messages, timing strategies and target audiences and identify channels for effective message dissemination.
- Generate news releases, story placement plans, pitch angles and talking points for use in attracting media coverage for the Park and its leadership. Proactive story content and media placement considerations should include the diverse aspects of the Park, such as culture, lifestyle and fitness, philanthropy, real estate, the environment, sports and recreation, and community news.
- Develop and support leadership in its interactions with the press by providing key messaging and talking points and training where needed.
- Serve as agency spokesperson when required.
- Anticipate inquiries based on current and planned Park activities and serve as point person for press inquiries.
- Develop and disseminate press materials, including FAQs or messaging summaries when needed.
- Support the Trust in management of any press events including in creating and disseminating any required supporting materials and providing staff as necessary.
- For targeted initiatives, develop strategies for print and digital media, broadcast media, and select social media channels.
- Secure media coverage for key events and speaking engagements for Park leadership.
- Assist with issues management and/or crisis communications if needed.
- Attend occasional community or other public meetings to support Trust staff with press inquiries or issues management.

**Web & Social Media**

- Provide occasional advice on direction, strategy and content for the Park’s social media presence and website.

**Other**

- Weekly media monitoring, progress reports and relevant news analysis.
- Provide advice and training to staff and Board members interacting with the media as required.
- As directed, coordinate with the Governor’s and Mayor’s press offices and those for other elected officials.
- As directed, coordinate with media representatives for outside funding and other Park partners.
- Review copy and graphics on significant materials, on occasion.

APPENDIX F
SDVOB REQUIREMENTS

PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE-DISABLED VETERAN OWNED BUSINESSES

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOB”) thereby further integrating such businesses into New York State’s economy. The Trust recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of the Trust contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

For purposes of this procurement, the Trust conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Consultant is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: http://ogs.ny.gov/Core/SDVOBA.asp

The Consultant is encouraged to contact the Office of General Services’ Division of Service-Disabled Veteran’s Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract.
